THE

PEOPLE OF H-F . . .

WHETHER ALONE

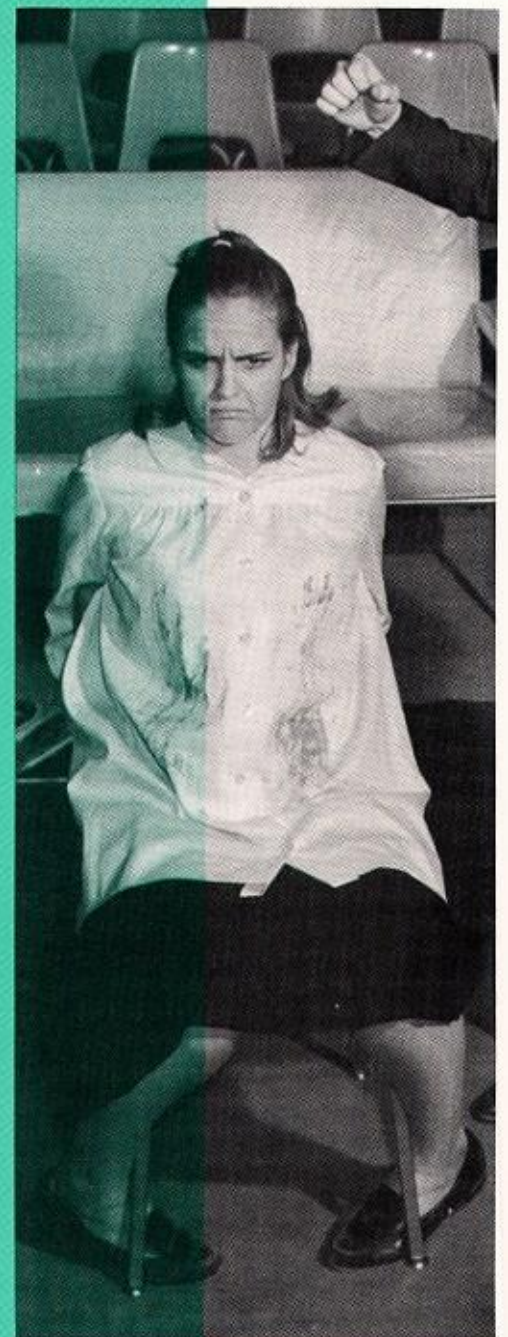

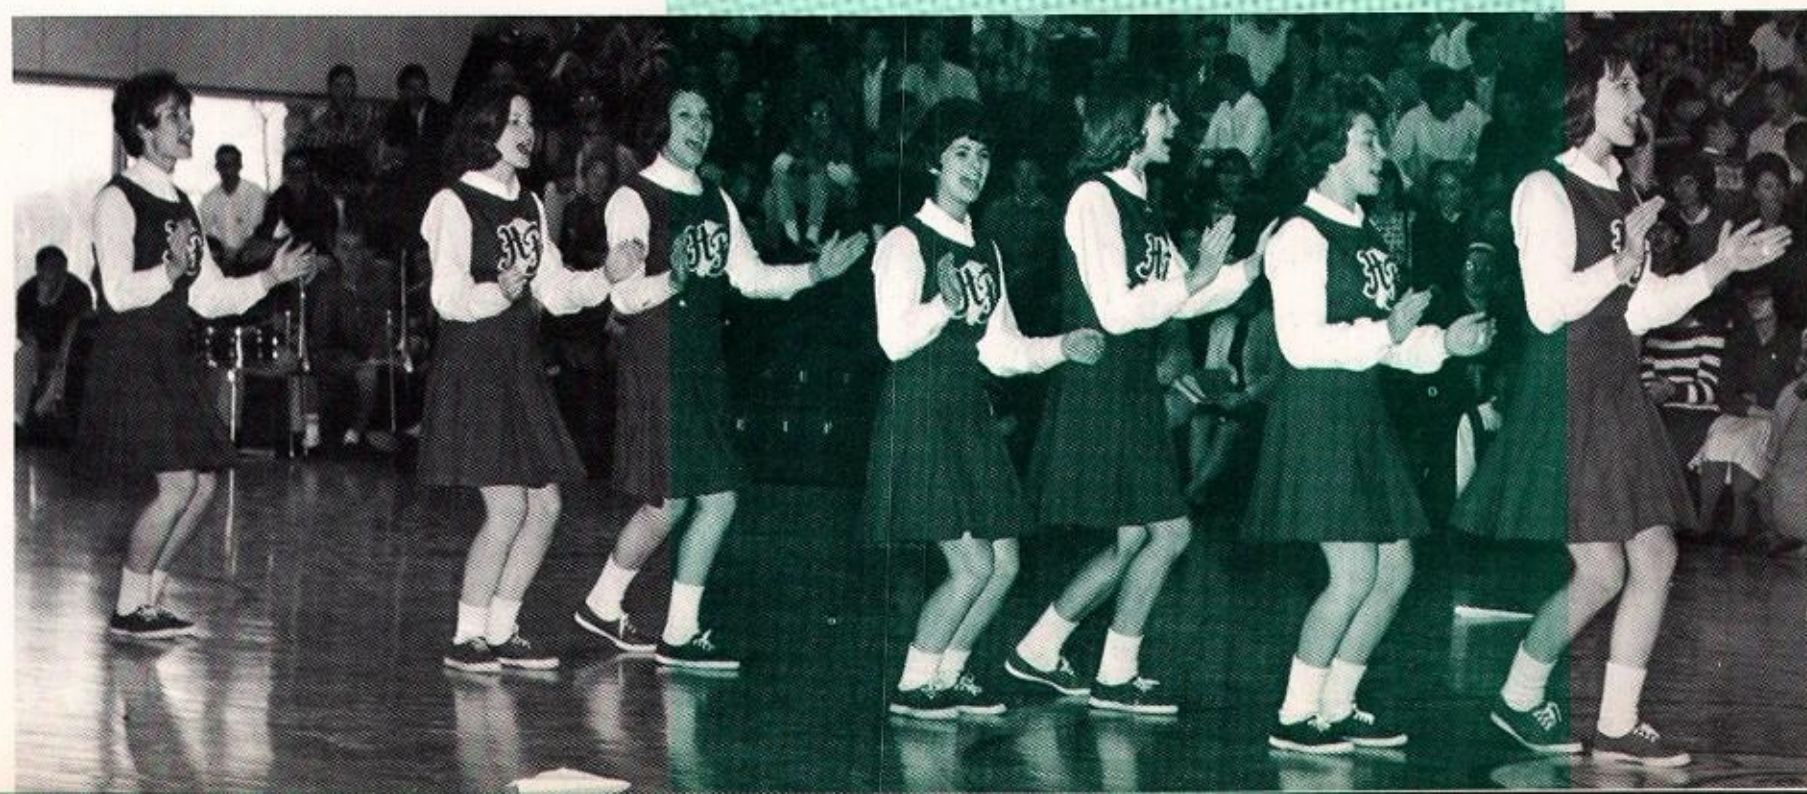

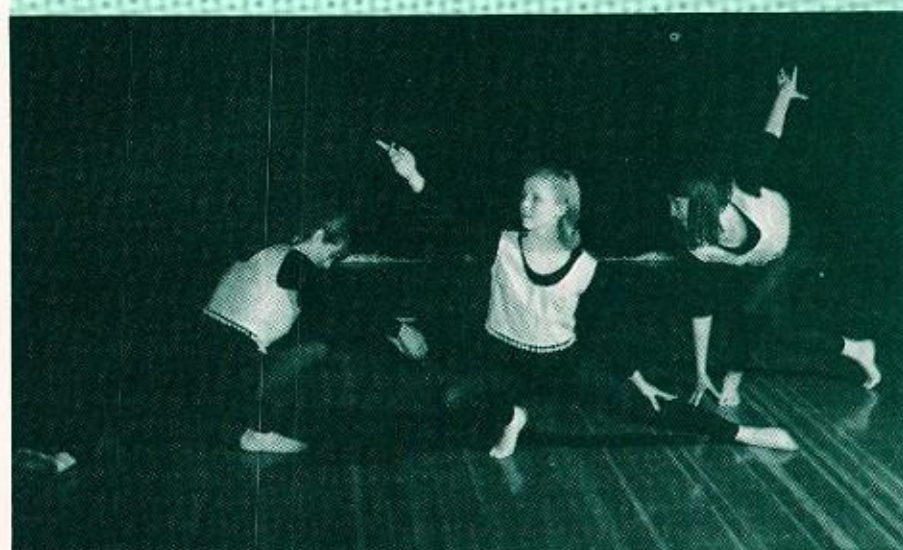

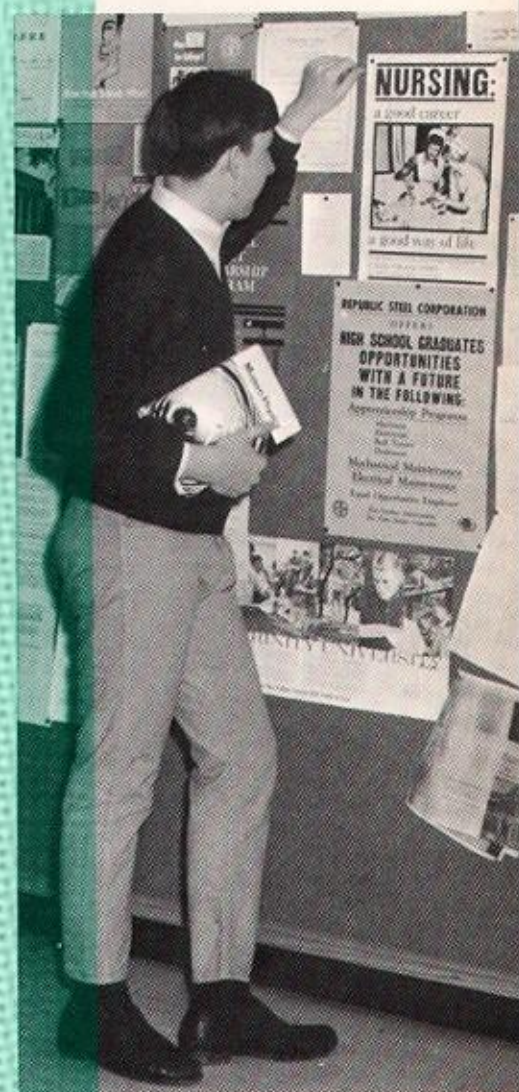

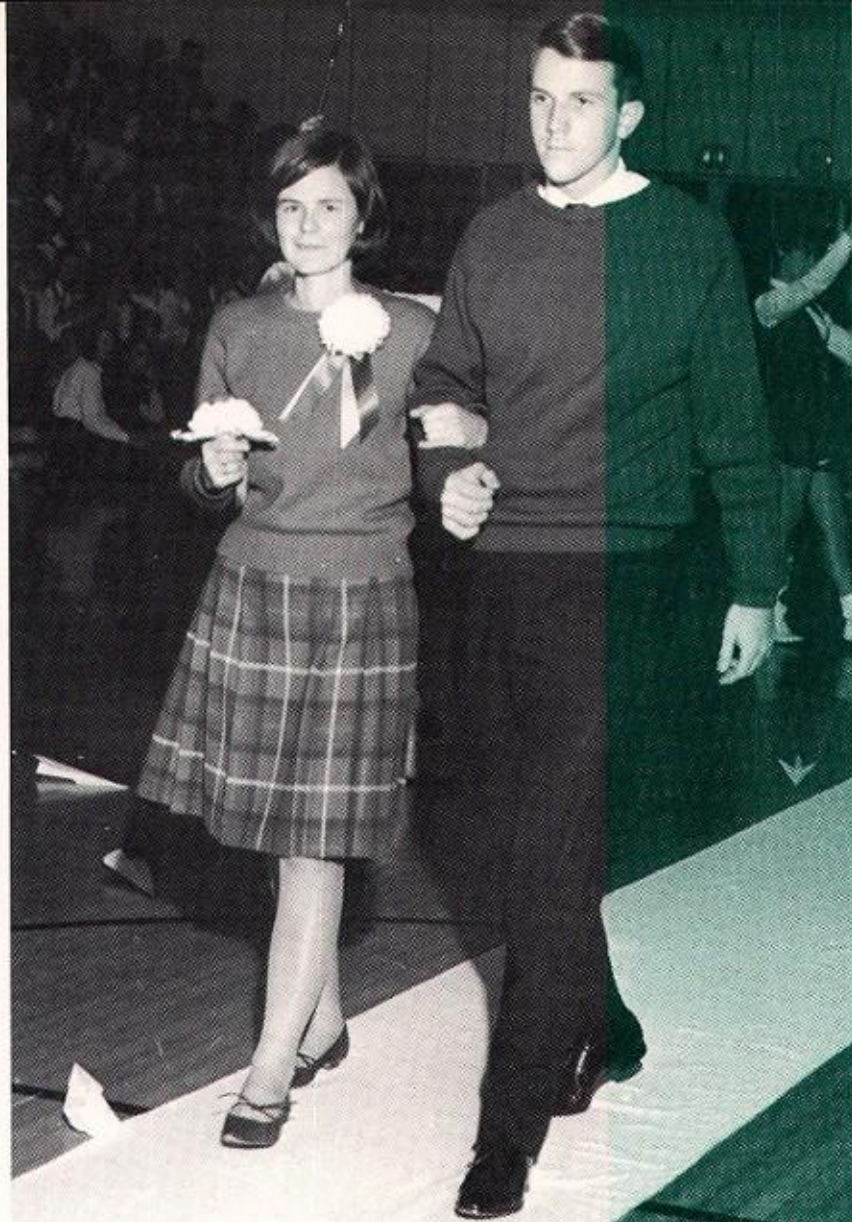

OR TOGETHER . . .

JOINED IN AND . . .

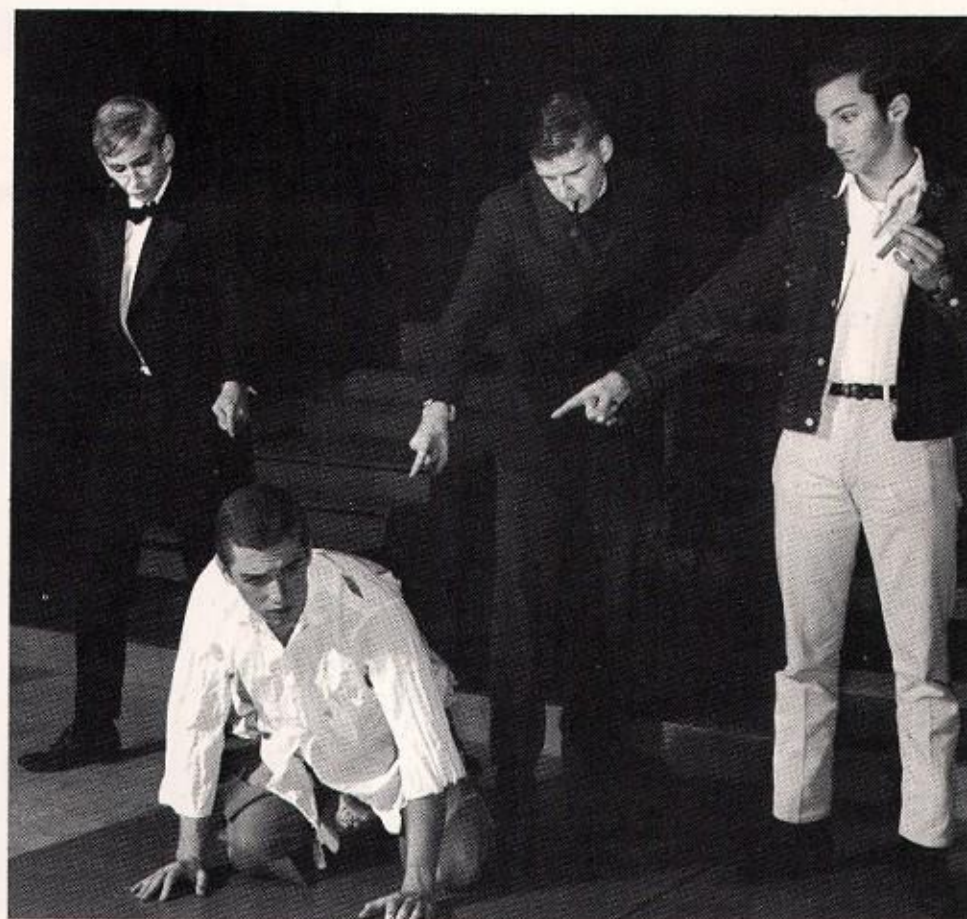

ACTIVELY PARTICIPATED . . .

Advanced speech class students make use of the extensive audio equipment available.

ENGLISH

With the birth of H-F's own radio station, WHFH, a course is offered in broadcasting. Guest speaker, H. D. (Hot Dog) Bryant, of WNWS, a Chicago all-news station, explains the promise of a career in newscasting.

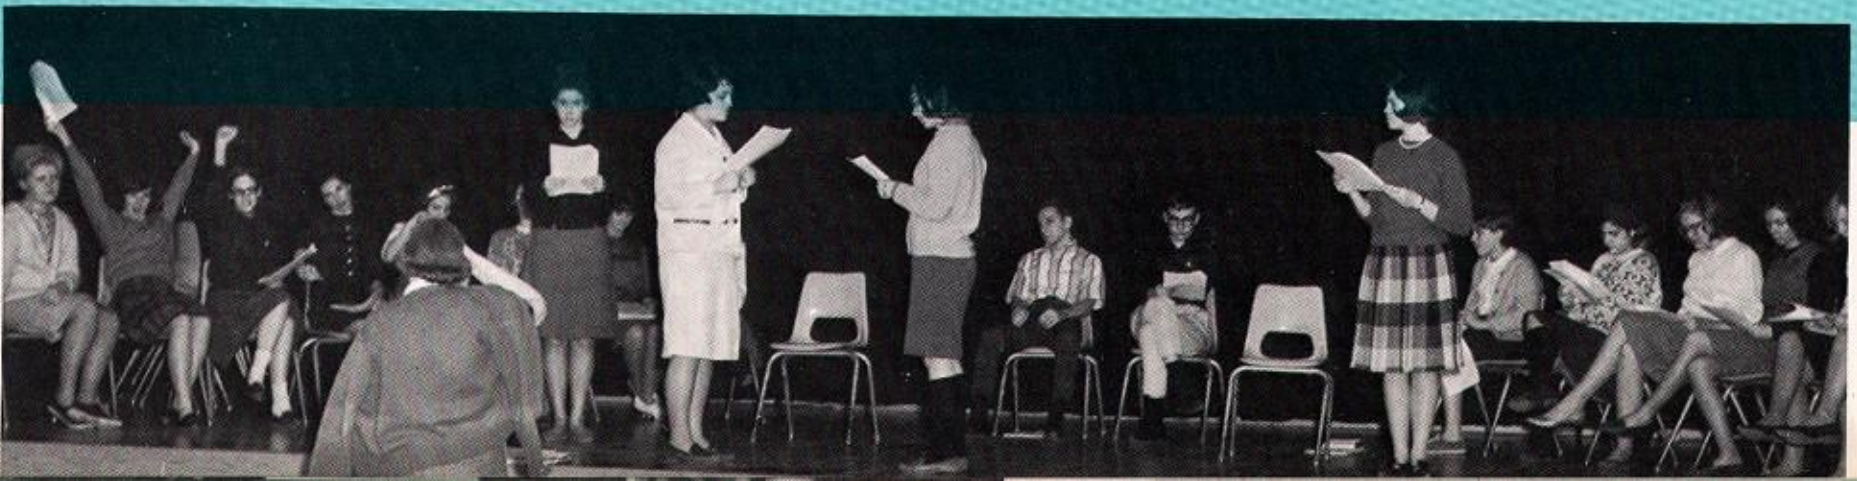

Morning announcements are given by advanced speech class members at the end of first hour. The address system can be projected to one room, a department, a gym, or the entire school and can be used as a two-way intercom.

Developmental reading courses are a boon to college-bound students in improving speed and accuracy of comprehension.

Characterizations and analysis increases the understanding of oneself and other human beings.

Besides planning pages and meeting deadlines, the yearbook staff learns to deal with the business world such as these representatives of the Colad Co., Inc.

H-Fers Study . . .

E-1, a massive lecture hall for The Arts, makes it possible to educate hundreds of people at a time through team teaching.

ART

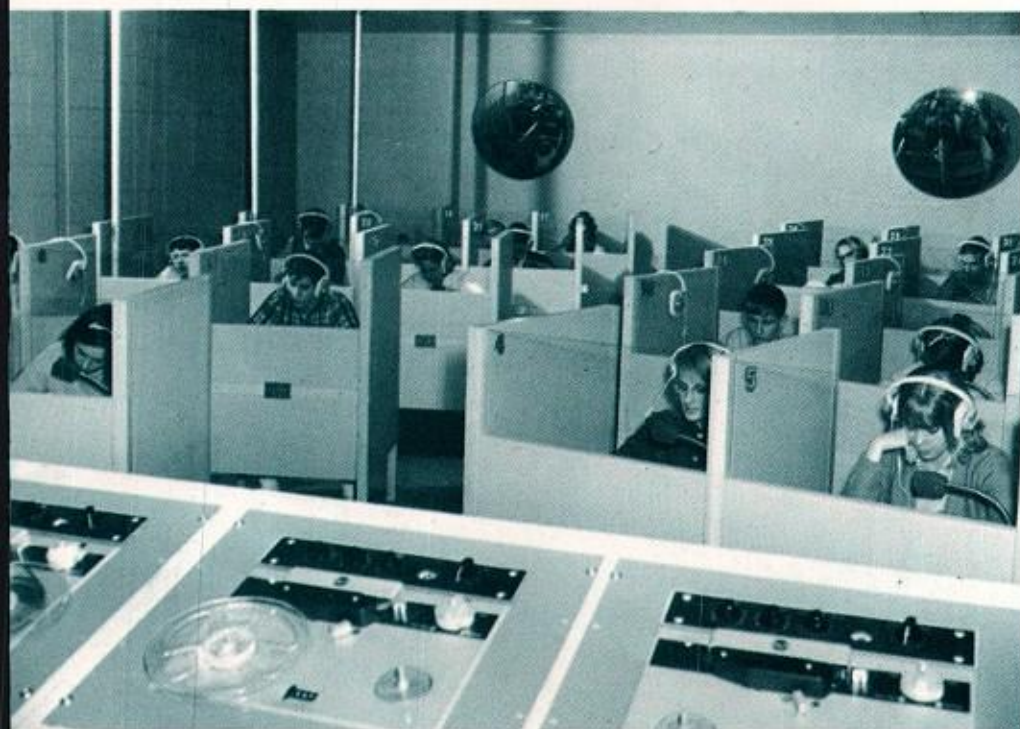

MUSIC

Self-expression is evident and important in courses such as art survey.

Mr. Linus Carroll conducts one of the many bands in H-F's widely known music department.

A scene from *La Vida Es Sueno* is enacted by Spanish IV-V students.

Foreign language students make use of the language lab to improve pronunciation and increase fluency.

FOREIGN LANGUAGE

SOCIAL SCIENCE

And in the beginning ... there is geography, a basis for comprehending the concepts of history and economics.

Sociology and psychology is a popular elective dealing with Man, the most highly complex and social animal.

John Poster, U.S. History teacher, develops interest and reality in class and individual studies through the use of primary sources.

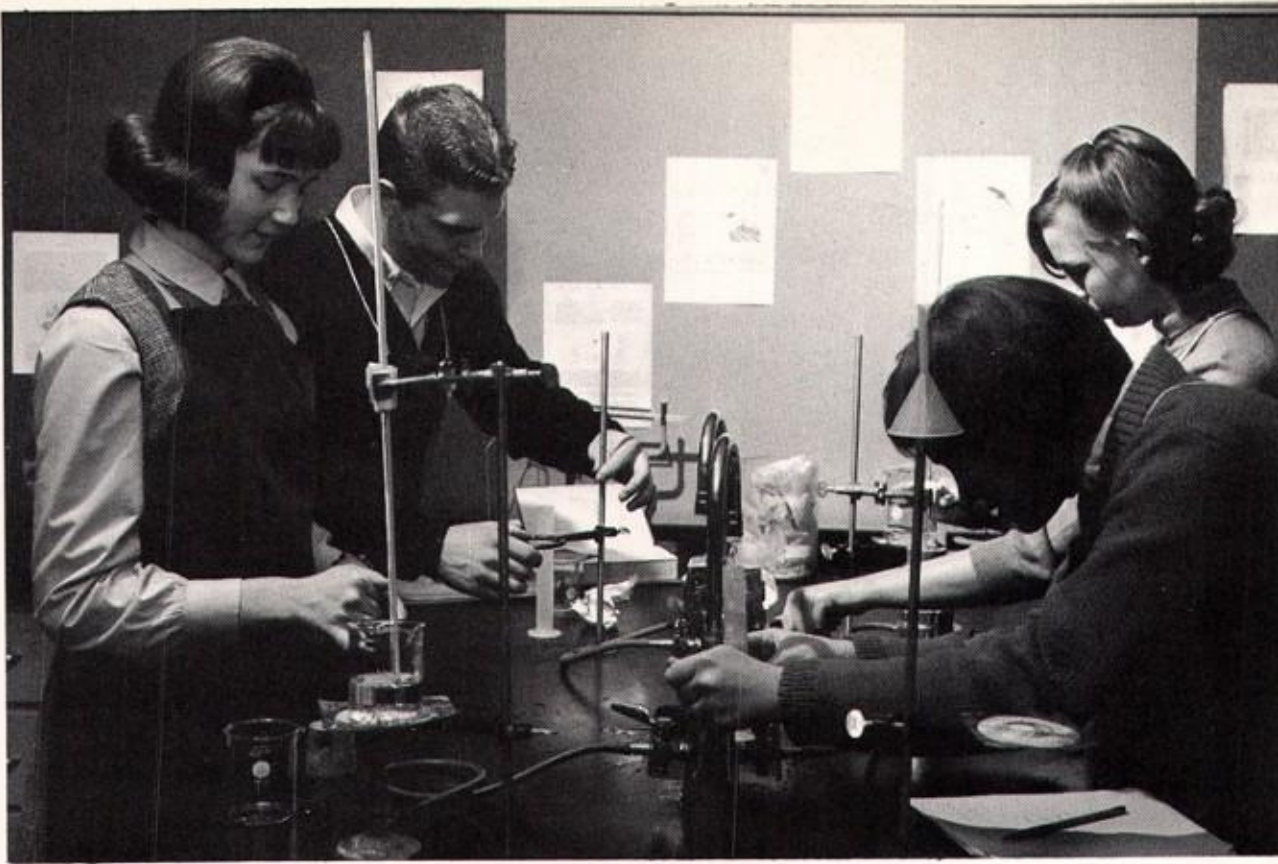

... and Listened and Learned ...

Like so many schools around the nation, H-F is experimenting with team teaching and finding it highly successful.

Humor, a necessary element in all classes, is injected into one of Mr. Shive's economic classes.

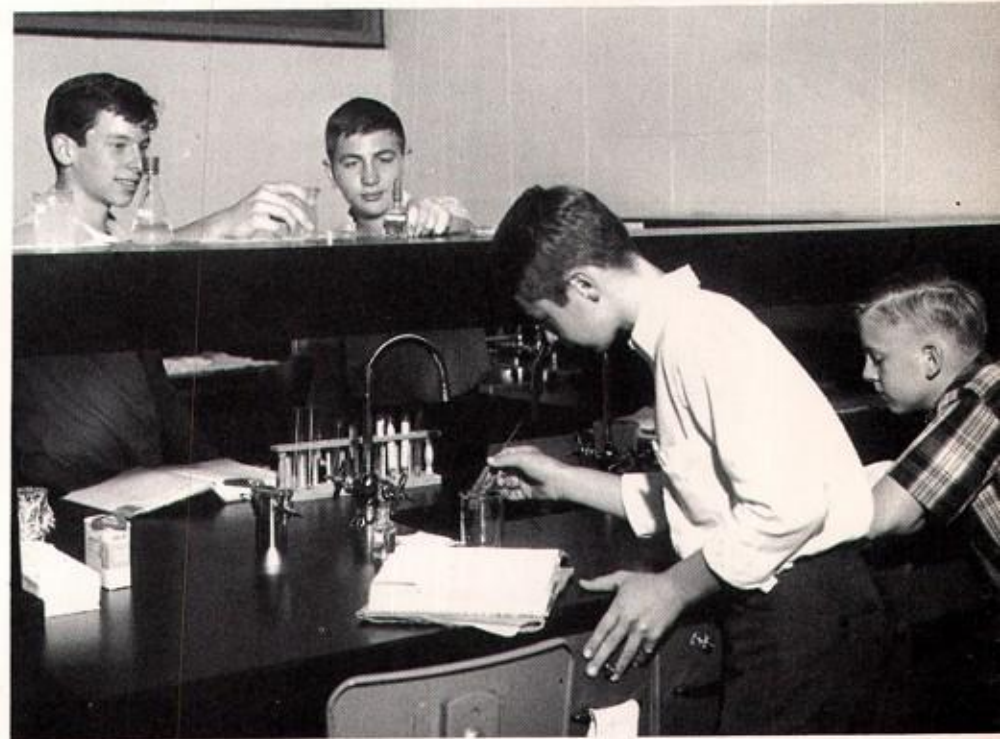

SCIENCE LIBRARY A-V

Well-equipped laboratory facilities are a necessity in developing the ability to observe and report calculations accurately.

... and Probed and Examined ...

Individual study booths, added to the library this year, provides private, undistracting areas for testing and studying.

The objective of science education is to expand a student's exploration into the vast areas of natural phenomena.

A vast film library is a great boon to enlarging the scope and interest of daily class life.

(left) Microfilms and projectors, available to all students, allow the compilation of magazines, newspapers, etc. to exist without the bulkiness and upkeep demanded of shelving such resources.

What better way is there to plan for the future than learning to keep a family happy and healthy?

PRACTICAL ARTS BUSINESS

Future architects and skilled engineers develop interests in industrial development in the drafting classes.

Sewing and dressmaking always proves profitable either as a hobby or a profession.

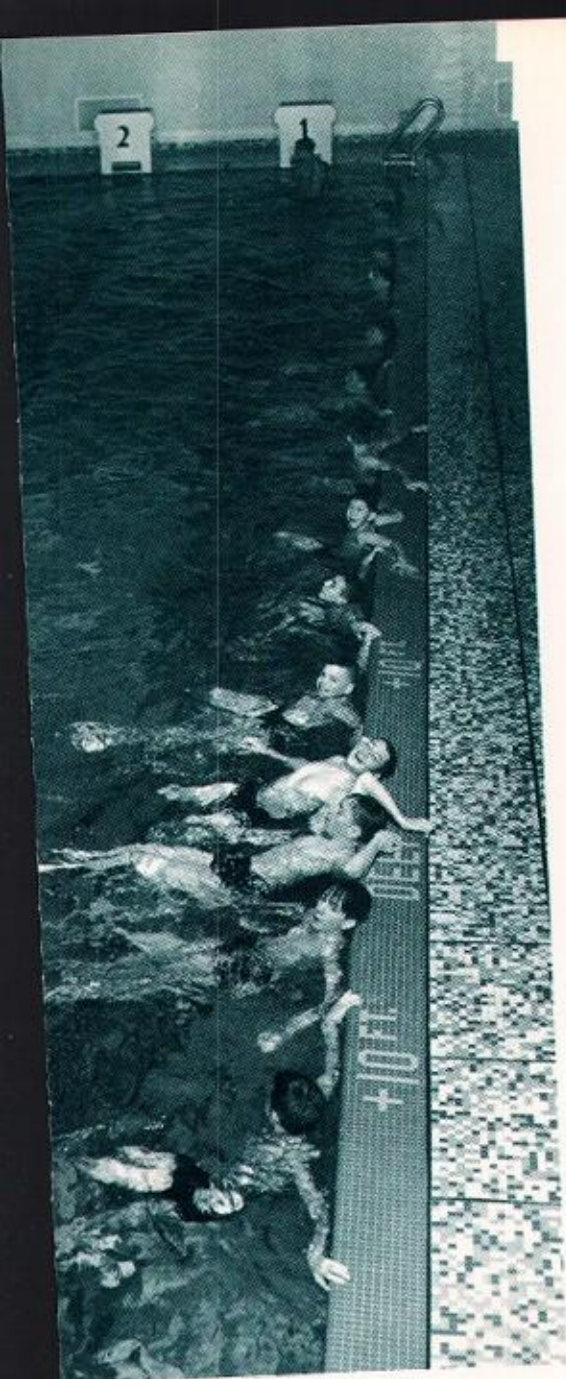

... Plan for the Future ...

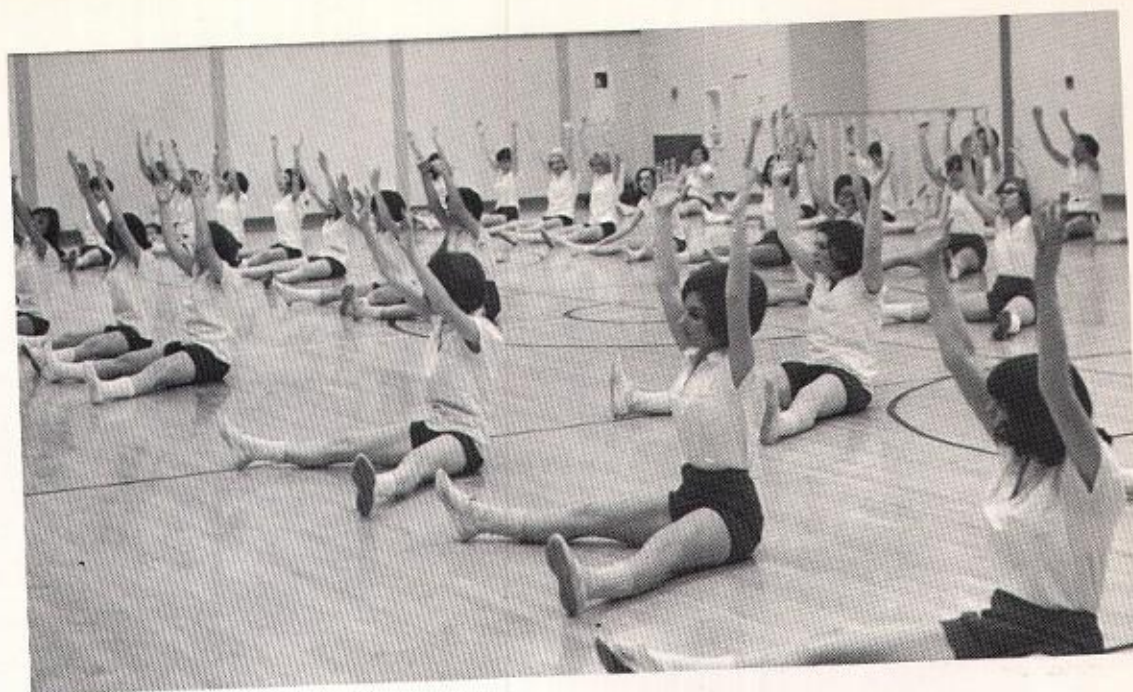

Besides Typing I & II, courses in the field of business include varied degrees of shorthand, bookkeeping, and business law and management.

Satisfaction of achievement is a main objective of the industrial arts department.

A swimming course may one day save the life of a student or taxpayer.

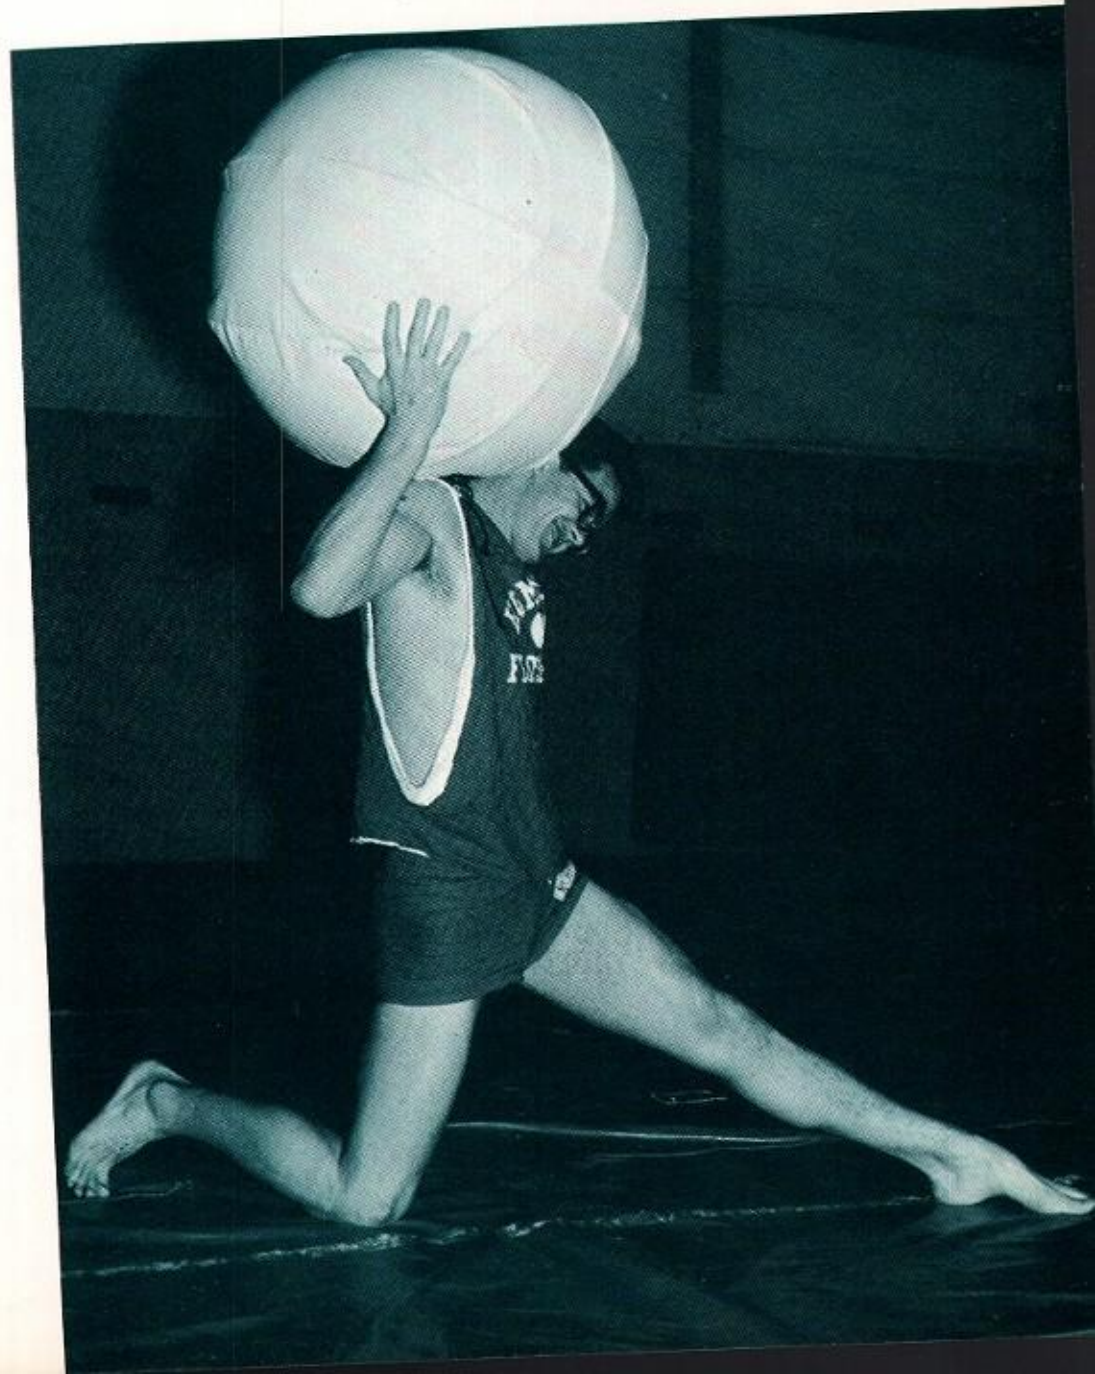

Modern dance, like other arts, is a means of expressing emotion; it also creates an appreciation of music, rhythm, and body control.

PHYSICAL EDUCATION

... and Play a Little ...

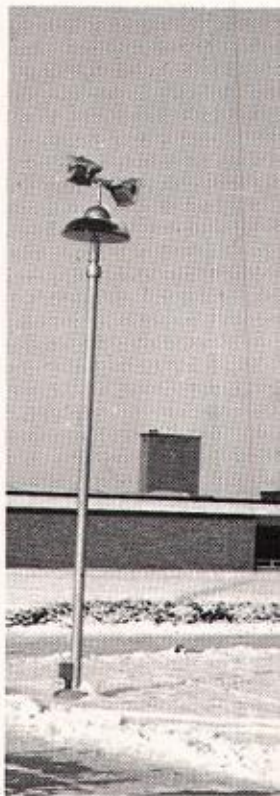

JUST FOR FUN!!

Driver education, a required course at H-F, offers first hand instruction by qualified instructors.

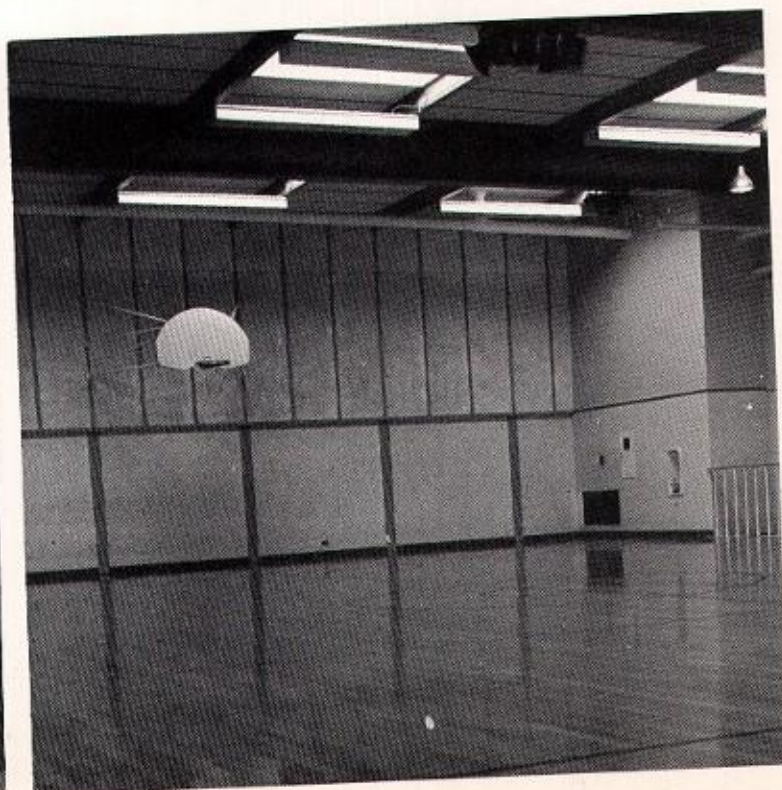

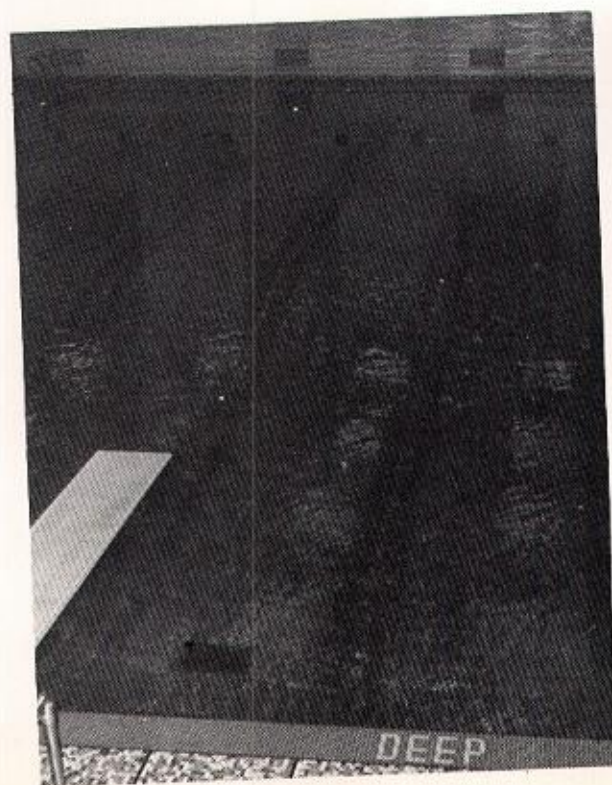

... WITHIN

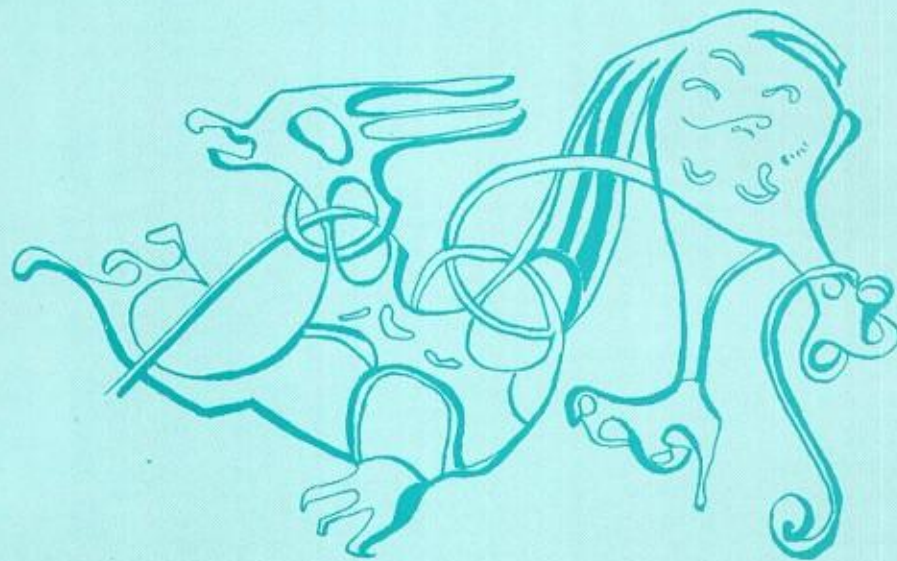

AND ABOUT THESE WALLS.

we may well go to the moon, but that's not very
far. the greatest distance we have to cover
still lies within us.

A CLASS BECOMES INDIVIDUALS

Four years in high school, spent studying, working, worrying, and having fun, seem a lifetime. Yet the years whistle by and a milestone is reached. The shaping and molding of our lives for the present and future are decided in these four short years.

H-F "makes us or breaks us;" it pushes us on to school or forward to tangible careers. H-F develops personalities and forms an outlook on life.

The *CLASS OF '65* bids a thoughtful farewell to its Alma Mater.

So long!

WHEN HE SETTLES DOWN AND WORKS
HE CAN PRODUCE WONDERS ...

WHEN HE IS IN THE LIBRARY, LOAFING, OR LAUGHING ...

*WHEN HE DECIDES TO
CUT-UP, HE CAN ENLIVEN
ANY GATHERING ...*

*HE IS INDISPUTABLY AND
ALWAYS A SENIOR.*

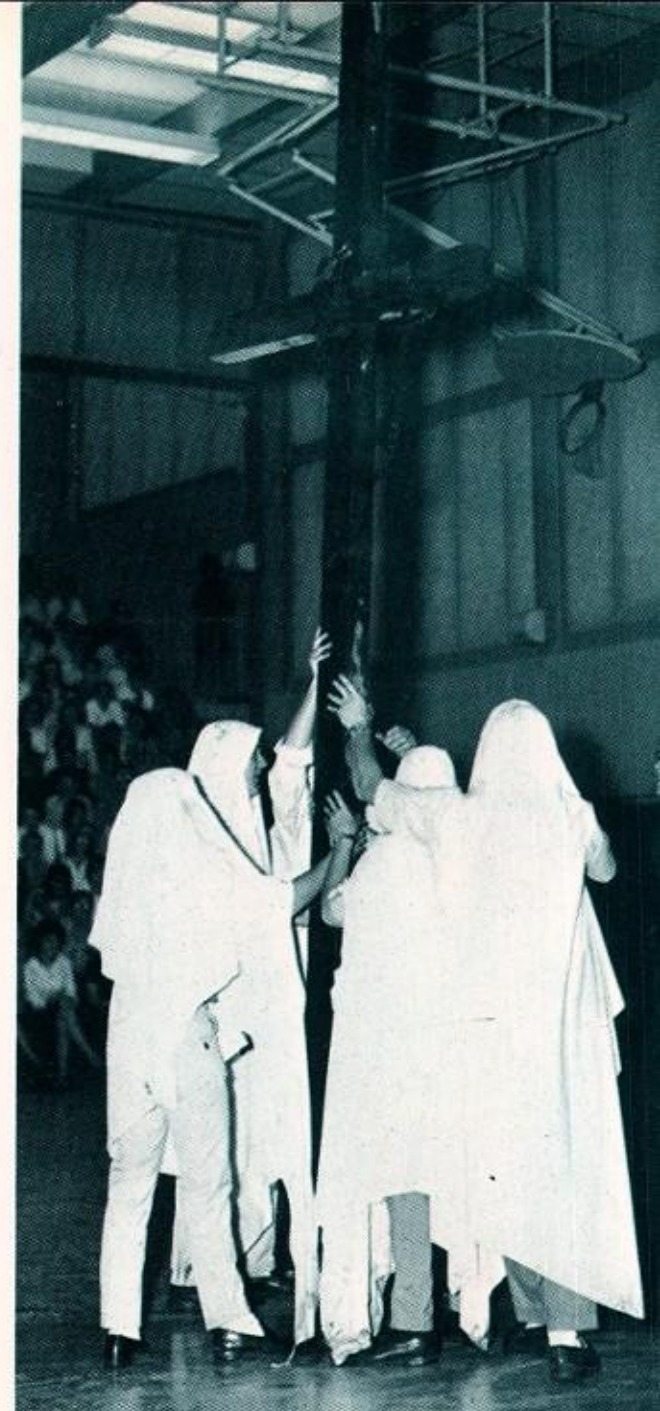

Mimicing those "horrible" Rich East kids, seniors enact the day at the dunes following the prom.

Beginning to End

Registration ... Time Flies ... Budgets ... Celebrations ... Victory over Rich East ... Barn '65 ... Jamming the Gym ... Lots of Laughter ... College Applications ... Animal Ball ... Term Papers ... Collapse ... Book Fines ... The Frug and Freddie ... A Portrait of the Artist as a Young Man ... Protests ... Pride in Accomplishments ... Commencement ... Tears.

A little senior get-together at the last Varsity Inn.

For his four years of "abstaining," Toby McAfee is finally rewarded.

Individua

Bottoms Up!—In celebration of the coming Christmas vacation with a bottle of good ol' fashioned grape juice.

SENIOR FROLICS

Collapse and suspended animation are a part of the make-up of a performance at the modern dance show. (Or is it just the end of "another day?"')

oats add interest and color to the Homecoming parade.

SENIOR CLASS OFFICERS: (l-r) John Childers, president; Tom Barrows, vice-president; Jack Niweide, treasurer; Sandie Lekas, secretary.

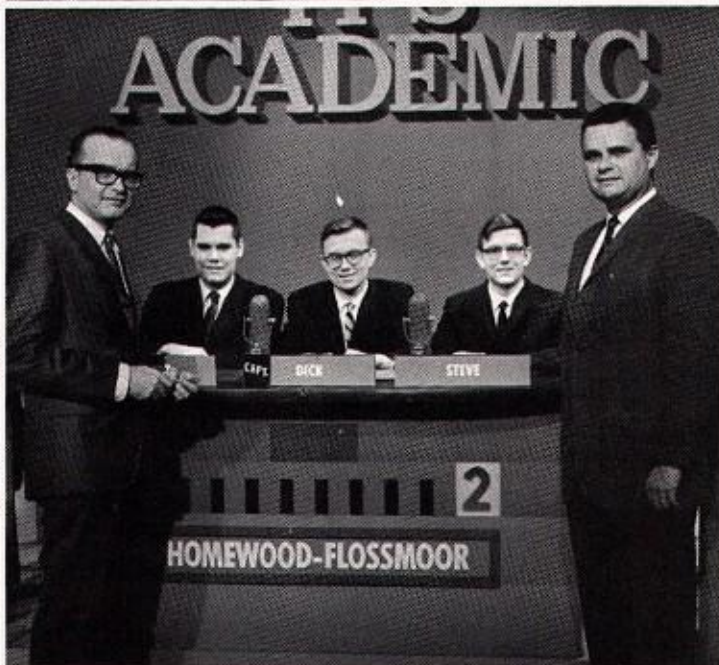

Achievements

Dr. Woodworth presents Steve Bittner with the Jaycees award for most academic athlete. Steve also received the Cal Mall Memorial Award for most outstanding senior athlete.

It's not impossible! George Stears had two, Dave Gordon had four, Linda Huffman had three, and Barb Hess had six semesters of straight A's!

Sandie Lekas and Chuck Faulkner accept their honorable mention certificates for the United Nations Contest.

Bob Garrison, Dick Gillman, and Steve Figlewski competed on NBC's "It's Academic" high school quiz program.

SENIOR HONORS

"I Spy!"

Linda Sublett brightened the All School Honor Assembly by performing her original monologue that took 1st place at the state speech contest.

Under the supervision of Mr. William Burghardt, Director of Student Affairs, this year's Student Government has proved to be extremely effective in many areas. The key aim of the Student Government has been to enable the entire student body to actively participate in school affairs.

The Legislative Senate is the student's link between the administration and himself. Composed of one representative

from each homeroom, the Senate is primarily responsible for putting suggestions of the students into workable form. In addition to the Legislative Senate, the Student Government relies on the Executive branch and Supreme Court to efficiently establish a capable and constructive Student Government.

STUDENT GOVERNMENT

Within the Student Government there are many groups that enable it to work effectively. The Supreme Court reviews the past year's constitution and decides upon appropriate changes. The legality of proposed plans is decided by the Supreme Court. The Foster Child Committee is formed to communicate with H-F's foster child, Pham of Viet Nam, and keep students informed about him. The Sunshine Committee writes to students that are ill for long periods of time to keep them informed of school activities.

FOSTER CHILD COMMITTEE SEATED Nancy Hopson. STANDING Linda Billings.

Junior girls dance to a popular tune for Renee Knoll's support for Commissioner of Activities.

STUDENT GOVERNMENT TESTIMONIALS

Linda Billings not only has Daisy Mae's support, but also Lil Abner's.

Every year one assembly is set aside at H-F for Student Government elections. Included in the assembly are the various testimonials and speeches of each candidate. Clever skits and witty techniques on the part of the speakers provide for keen competition and an enjoyable assembly.

Elections resulted with Dennis Kerwin, president; Terry McCall, vice-president; Nancy Martin, secretary; Jim Adams, treasurer; Betsy Michal, commissioner of activities; and Louise Krull, commissioner of publicity.

Everyone seems alert and interested during the Student Government testimonials.

New Voyager Staff Begins Work

New staff members of The Voyager, announced by William Booth, newspaper adviser, began their duties for second semester by producing this issue.

Senior Debbie Chase is editor-in-chief following senior Sue Keneipp, who will be graduate editor. This is Debbie's second year with the staff and Sue's third on The Voyager.

Page editors are juniors Mary Lou Barisas, Page 1; Louise Krull, Page 2; and Beryl Chapman, Page 3. Sports editor for this semester is senior Alan Doyle. Continuing as exchange editor will be senior Judy Adelson with junior Jan Braun as her assistant.

Assigning stories to reporters, editing copy, and writing headlines are some of the responsibilities of a page editor. Another job they have is page lay-out, or placement of articles on the page achieving a balance between all stories.

All new page editors have spent two years on The Voyager. Several of the reporters are receiving their first permanent assignments to the staff.

Reporters for page 1 are seniors Sue Keneipp, Mary Hart, second student Carol Perrin, Karen Petersen, Judy Pohtos, and junior Jeanne Weber.

Senior John Wallace will continue writing his column, "What's News," on Page 2. The exchange column by senior Judy Adelson and "Looking at Books," by senior Jan Scupham, will remain as issue features. Junior Jan Braun will still report news about graduates, and senior Sari Fox will begin a new column. Both Jan and Sari are second year veterans on the staff. Carol Perrin will also write feature for Page 2.

Assigned to Page 3 are juniors Karen Becker, Donna Graff, Shirley Soderborg, Cathy Root, and Tammy Cormack. Also sophomores Liz Burgess, Debbie Huggott, and Charles Jones.

Cartoons on Page 2 and Page 3 will be drawn by seniors Jan Thyer and Andrea Stewart.

Sports reporters are senior Dave Parker and Terry Sullivan and juniors Roger Bixby and Dennis Hoffman. Senior Don Hlady will continue writing his column "Voice of the Vikings."

All pictures for the paper will be taken by senior Ward Feurt, who is in his second year as photographer for The Voyager.

Two juniors, Beryl Chapman (left) and Mary Lou Barisas, begin work on newspaper as they assume new staff positions for second semester.

53 Become Semi-Finalists In Scholarship Competition

Fifty-three H-F seniors have qualified as semi-finalists for 1965-66 Illinois State Scholarships on the basis of their scores on the Nov. 7 American College Tests.

Of the 33,900 Illinois students who took the November ACT examinations, 7,402 have been named as semi-finalists.

The final announcement of 1965-66 state scholarship winners will be made in April. H-F semi-finalists are:

James Alderman, Lawrence Benc, Barbara Brenke, Barbara Brown, Ken Brooks, Margaret Camferdam, Emily Canning, Debbie Chase, John Childers, Richard Cole, Sue Cox, Terry Crawford, Jim Davidson, Les Durland, Chuck Ebann, Barbara Edwards, Jeff Ellis, Joan Flanagan, Bob Garrison, Mark Giasecke, Dick Gilmann, Mary Gioscotte, Dave Gordon, Dorothy Graff, Allen Gunter, Mary Hart, Mark Herrbach, Linda Hess, Cynthia Hopkins, Linda Huffman, Barb Ives, Greg Komar, Chuck Lantry,

Mary Leas, Sandy Lekas, Roy Lockhart, Dave Luery,

Mark Leas, Marjorie McPherson, Grace Meyer, John Michal, Dorothy Muse, Jeanne Nolan, Bill Overal, John Parsons, Marcia Playe, Marjorie Samsone, Lu Unumb, John Wallace, Robert Walsh, and Janet Wright.

All semi-finalists are required to submit their completed applications for scholarships to the Illinois State Scholarship Commission by Feb. 11.

Mary Alexander Talks Of Chile

By Carol Perrin

A year of study in Chile — a strange country, a strange family, a strange language — and all of one week to prepare. This is the situation which confronted junior Mary Alexander last January when she discovered she was to spend a year in Concepcion, Chile, under the American Field Service program.

Mary has returned to H-F for the second semester of her junior year. She plans to take summer school and receive her diploma at the end of the session.

A little more than a week after leaving H-F, Mary found herself in Concepcion attending Liceo Experimental, a new type of high school, which as the name states, is of an experimental nature.

There are only five such schools in the entire country — they don't use standard textbooks. Instead the professors teach from standardized mimeographed material sent from a special center in the capital, Santiago. Students study six days a week with Wednesday and Saturday afternoons off.

At the Liceo, all girls wear uniforms which consist of a navy skirt, navy blazer with grey trim, white blouse, grey anklets, and black shoes. To make the uniforms last longer, a white labcoat-type cover is worn at school.

The differences in language precipitated several awkward and rather amusing incidents for Mary. One day Mary's Chilean mother asked her to go get a "perro," which means dog. The family had a dog, but it was in the country at their farm.

So to make sure of the request, Mary questioningly started barking. Her mother started laughing and led her outside to the clothesline where she explained that idiomatically "perro" also refers to

Conference Speech Contest Will Begin Tonight At H-F

By Mary Hart

H-F will be the defending champion when it hosts the two-day Southwest Suburban Conference speech and drama contest beginning today.

This evening at 6:30 the junior-varsity teams of the eighth conference schools will compete at H-F. The varsity contest will be tomorrow. Last year H-F won in both speech divisions and also took first place in drama.

This year's contest play, "Little Moon of Alban," by James Costigan, will be presented on the Reavis High School stage next Saturday, Feb. 6. H-F's debate team will also host the conference tournament here on the same day.

According to speech coach Barry Kautz, the contest will be a tough battle since there are several strong teams. Mr. Kautz says that H-F's strongest competition will be with Rich East, who won first place over H-F's second in the Jan. 9 invitational contest here.

Leading H-F's speech team in points is senior Linda Sublett, who has won first place for comedy monologue in every contest this year.

Senior Charlyne Filippi and sophomore Jim Sherman have also been strong scorers for H-F. Their events are serious reading and original declamation, respectively.

In the two-act contest play, "Little Moon of Alban," sophomore Trish Snyder and junior Jim Regan will hold the lead roles. Seniors Charlyne Filippi, Steve Forsgren, Betsy Schwarz and freshman Lynn Chamberlain will play the other major parts.

The play is set in Ireland during the twenties at the time of the Irish revolution. An English lieutenant kills the fiancé of Brigid Mary, who takes refuge in her religion and becomes a volunteer nurse.

The lieutenant who shot her fiancé is later wounded and comes

under Brigid Mary's care. He unwillingly falls in love with her. Brigid Mary is torn between her vows and an instinctive desire for revenge.

In the debate tournament on Feb. 6, a four-man team comprised of seniors Ken Brooks and Chuck Faulkner, junior Joel Kerstetter and sophomore Don Klein, will vie for the conference title.

The team will debate the topic, "Resolved: That Nuclear Weapons Should Be Controlled by an International Organization." Last year H-F tied for second place at the conference meet.

Three Will Solo With Viking Choir On Channel 11 TV

Both vocal and piano soloists will be featured when the Viking Choir appears on a live telecast of the Sunday Evening Club from Orchestra Hall at 7:30 p.m., Feb. 7, on Channel 11.

Junior Richard Metzler will be featured on the piano with choir background in "A Hymn to Music," known to musicians as Chopin's "E Major Etude."

Juniors Gayle Fishell and Steve Easton will also have social solos in "A Hymn to Music."

Other numbers on the program will include William David Brown's "Hallelujah"; "He's Watching Over Israel," by Mendelssohn; "Gate of Heaven," by Randall Thompson; and the finale, "The Blessing of Aaron."

The Sunday Evening Club is constructing a special setting and a special script for the choir's performance.

After their performance, the Viking Choir will be the guests of the club for the rest of the concert.

H-F Bands Ready Variety Of Selections For Feb. 10

By Judy Pohtos

"Seventy-six trombones led the big parade . . ."

Students will hear jazz and show tunes as well as classical pieces as H-F's Stage and Symphonic bands present their annual band assembly Feb. 10 in the gymnasium.

The purpose of the assembly, says band director Linus Carroll, is to better acquaint students with the bands performing in concert. It is generally felt that students are so accustomed to seeing the bands participate in parades and at football games that they are unaware of their other functions.

About 57 students, including soloists, directed by Mr. Carroll, will participate in the program, the bands' first since their winter concert which was held during the holidays.

The assembly will open with the traditional playing of the "Star Spangled Banner." The Stage Band will perform three selections: Hefti's "Sunday Morning," Mancini's "Pink Panther," and Dedrick's "Valse a la Jazz." Other numbers may be added to the program if time allows.

The Symphonic band will feature several soloists in their part

of the program. Senior Mark Herrbach will solo on the french horn in Mozart's "Romanze, Horn Concerto No. 3."

Junior Sandra Woelflin will narrate Richard Strauss' "The Merry Pranks of Till Eulenspiegel" and later appear as marimba soloist in Brown's "Dahoon." A marimba is a modern improved form of a primitive type of xylophone used in South Africa and in Central America.

Someone's "Impressions of Seville," a composition in three parts, will also be presented. The three sections are "El Torero," "La Gitana," and "El Bailador Flamenco."

Varsity Inn Scheduled After Sandburg Game

The sophomore class will sponsor a Varsity Inn after the basketball game with Carl Sandburg tonight until 11:30 p.m.

Music will be provided by the Wildcats, and the admission charge is 50c. Students should wear school clothes.

The proceeds will be used to finance next year's Prom.

Juniors Pack Suitcases For Trip To Washington

By Jeanne Weber

Juniors going on this year's Washington trip have an opportunity to see and visit over thirteen points of interest in the Washington, D.C., and Williamsburg and Jamestown, Va., area.

Students wishing to go on this year's trip may sign up and register from Feb. 1 to Feb. 15. A check made out for \$137.50 and payable to Homewood-Flossmoor High School will be accepted at this time.

During the four days from Friday, March 12, through Monday, March 15, those going will view such national landmarks as the Lincoln Memorial, the Washington Monument, the Library of Congress, and the White House.

They will also see the Arlington National Cemetery and the Kennedy Grave, the changing of the guard, and the Monument to the Marines at Iwo Jima. Stops, too, will be made at Williamsburg, the first colonial capital of Virginia, and Jamestown, the first colony in America.

Chilean money, decided, along with Chilean companions, to sell them votes.

They approached the sailors speaking Spanish among themselves, and when Mary started explaining in English the system of buying votes, the sailors were terribly incredulous at her remarkable command of the language. "Where, they demanded, did she ever learn to speak English so well?"

Students will also visit the Smithsonian Institution, the colonial Alexandria and the National Archives Building, where students will see the original Constitution of the United States and the Declaration of Independence along with many other original documents and pictures.

In past years students travelled to Washington by train, but this year they will fly round trip. Two United Airlines DC6 B's will transport the students from Chicago's Midway Airport to Newport News, Va., and back from the Washington National Airport.

The group will spend Saturday and Sunday nights in the Continental Hotel in Washington, D.C. While enroute to and from Washington, meals will be provided by United Airlines.

Those wishing additional information concerning the trip should contact social science teacher William Lucy.

WHFH was begun 2½ years ago by the Viking Broadcasting Company. As any new organization, the club needed money. The VBC sponsored movies to raise money. The Homewood-Flossmoor PTA and the Board of Education realized the potential of such an idea and allocated funds.

The station received their preliminary approval from the U.S. Government in August of 1964 and the following September the club had enough money to buy the necessary equipment. Everything was ready to go by December and all the club needed was the permission from the FCC. December 21, 1964, brought permission to transmit and on January 7, 1965, radio station WHFH had its first broadcast.

The station now broadcasts every Tuesday and Thursday evening from 4:45 to 8:45 p.m. at 88.5 on the FM dial.

Six Plays

In the fall, H-F's drama department, under the direction of Miss Peg Powers and Mr. Barry Kautz, opened the year with their fall play, "J. B.," presented in the abstract.

An addition to the year's schedule included a novice play, "My Three Angels," performed and prepared by students who had had little or no former experience in drama or play committee work.

During the winter, three Thespian one-acts were presented. "The Ugly Duckling" caught a best actress award for Jan Heiss who portrayed a homely princess. Ryan Schnare, an H-F senior, wrote "On the Train." Junior Mark Pirolo satirized "Julius Caesar" and won the best actor and best play award for it.

"The Curious Savage" was the well-received spring play having the strange setting of a home for the mentally ill, staged in the theatre-in-the-round style.

Symphony Orchestra

Many members of the Orchestra have membership in another part of H-F's music department, the Symphonic Band, under the direction of Linus Carroll. These students plus those in the stringed instrument section combine to form the Orchestra, conducted by Emmett Steele. Its agenda consists of the annual winter concert, several special concerts, and school affairs.

Bob Lucas (above) and Mr. Steele (left) work daily to perfect concert pieces.

Strong, chilly winds never prevent the majorettes from practicing. Liz Svec, Gayle Fischell, and Pam Abshire are shown here out on the windswept hockey field.

Candidates for majorettes and twirlers try out each year for a position with the marching band. This year there are ten majorettes and twirlers combined to perform with the band at football games and parades, and also at basketball games.

Bonnie Vanderhye, captain of the twirlers, rehearses a new routine.

Student work, representative of the art survey classes, illustrate abilities in handling materials and technique.

Advanced student work provides a legacy of creativity for the future art students.

Interested parents found student work provocative and student demonstrations of techniques enlightening.

These prints, donated by the Homewood-Flossmoor PTA, made an interesting addition to student work for the Fine Art area guests.

FINE ARTS FESTIVAL

Art teacher, Miss Judith Clause shows Miss Leah Hiland the art of weaving.

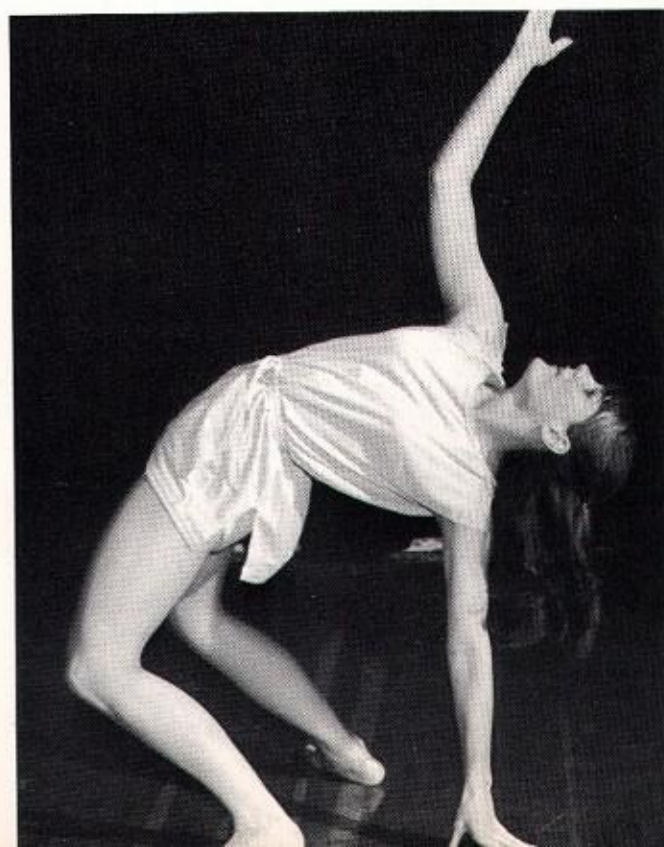

MODERN DANCE ROW 1. (l to r) Jeanine Steckel, Donna Johnson, Alice Brin, Mary Klein, Gwen Swanson, Liz Reid, Kathy Bryan. ROW 2. Beverly Blackhall, Holly Reuss, Ellyn Reese, Debbie Panici, Pat Sublett, Leslie Marsalis, Sally Forry. ROW 3. Gail Wallach, Charlotte Beven, Faith Dimock, Collin Gillerlain, Melissa Wargin, Barb Ingebretson, Margaret Dec, Mary Wallace, Sue Vanvalkenburgh.

MODERN DANCE

Throughout this year, the Modern Dance club has been practicing for their performance in the spring. After long practices after school, their program was completed and ready to be presented. With the aid of the Viking Ensemble, the Modern Dance club's performance was extraordinary.

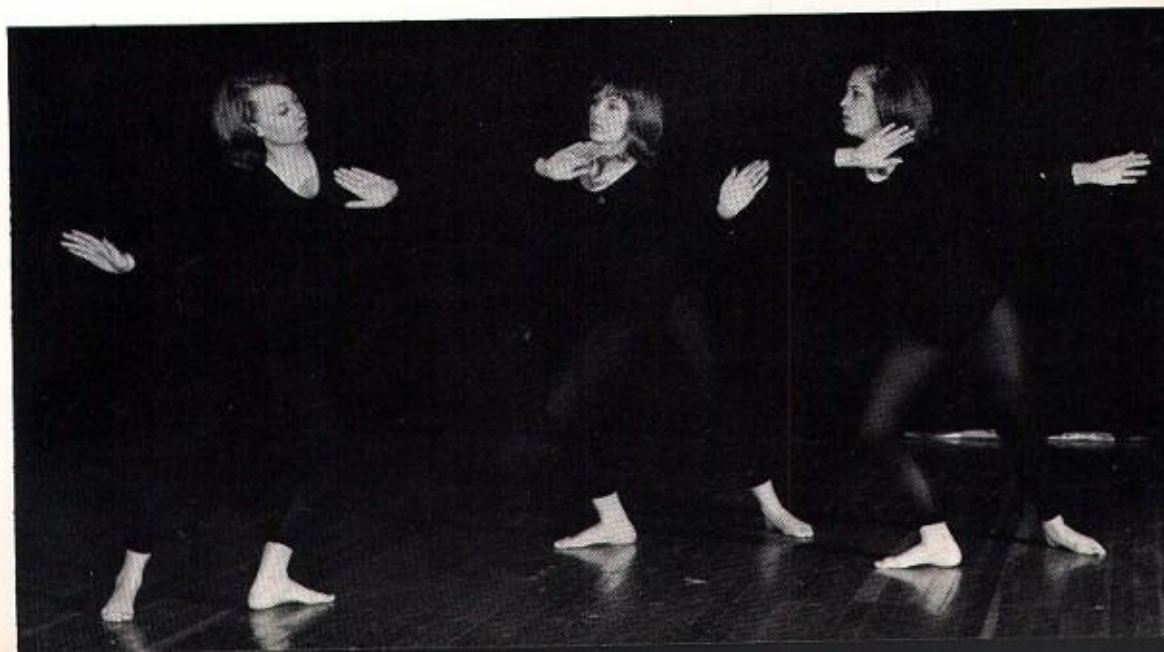

Miss Joyce Cekandar acted as adviser to the club and senior Barb Ingebretson served as president.

Charlotte Beven interprets the Viking Ensemble's vocal accompaniment of "Younger Than Springtime" from "South Pacific."

The opening concert number featured the theme from "Walk on the Wild Side."

Two against one in an "Experiment in Terror."

To the delight of all, the Mad Hatter, Dr. Marion Gardner, crowns 1964's Homecoming Queen, Penny Forry.

"Once Upon a Time"

Although coupled with a 26—0 football defeat, 1964's Homecoming was otherwise a tremendous success. The traditional Homecoming activities included Bermuda and Bicycle Day, Dress-Up and Drive Day, Red and White Day, the assembly, parade, and football game.

"Once Upon a Time", the Homecoming Dance, provided a fitting climax to the week's events. Couples entered the dance through a magic keyhole and swayed to the romantic music of the King Jaras Band. The evening was highlighted, to the surprise and delight of all, by the appearance of the Mad Hatter, Dr. Marion Gardner, who had the pleasure of crowning Queen Penny Forry.

Students look on while Queen Penny and her court lead the coronation dance.

Bonnie Vanderhye smilingly pins on John Childer's boutonniere, while Janet Wright looks up shyly at Scott Willis, who pins on her corsage.

Couples dance to the enchanting music of the King Jaras Band.

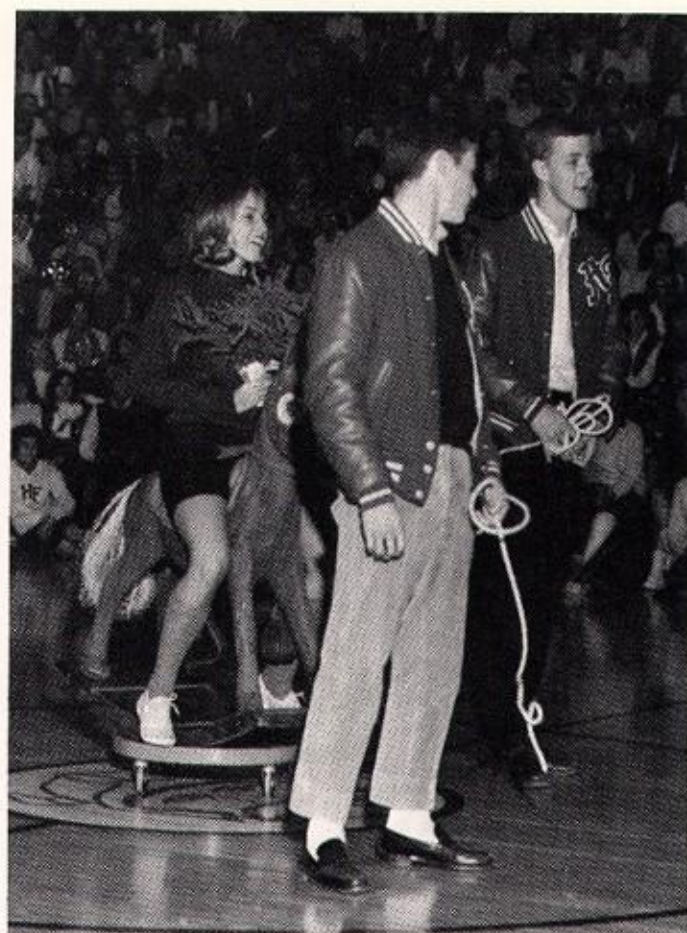

Bermuda, Bicycle, and Sweatshirt Day is popular with students of all classes during Homecoming Week activities.

The Class of '65 again has the winning float, whose theme was "Whip 'Em."

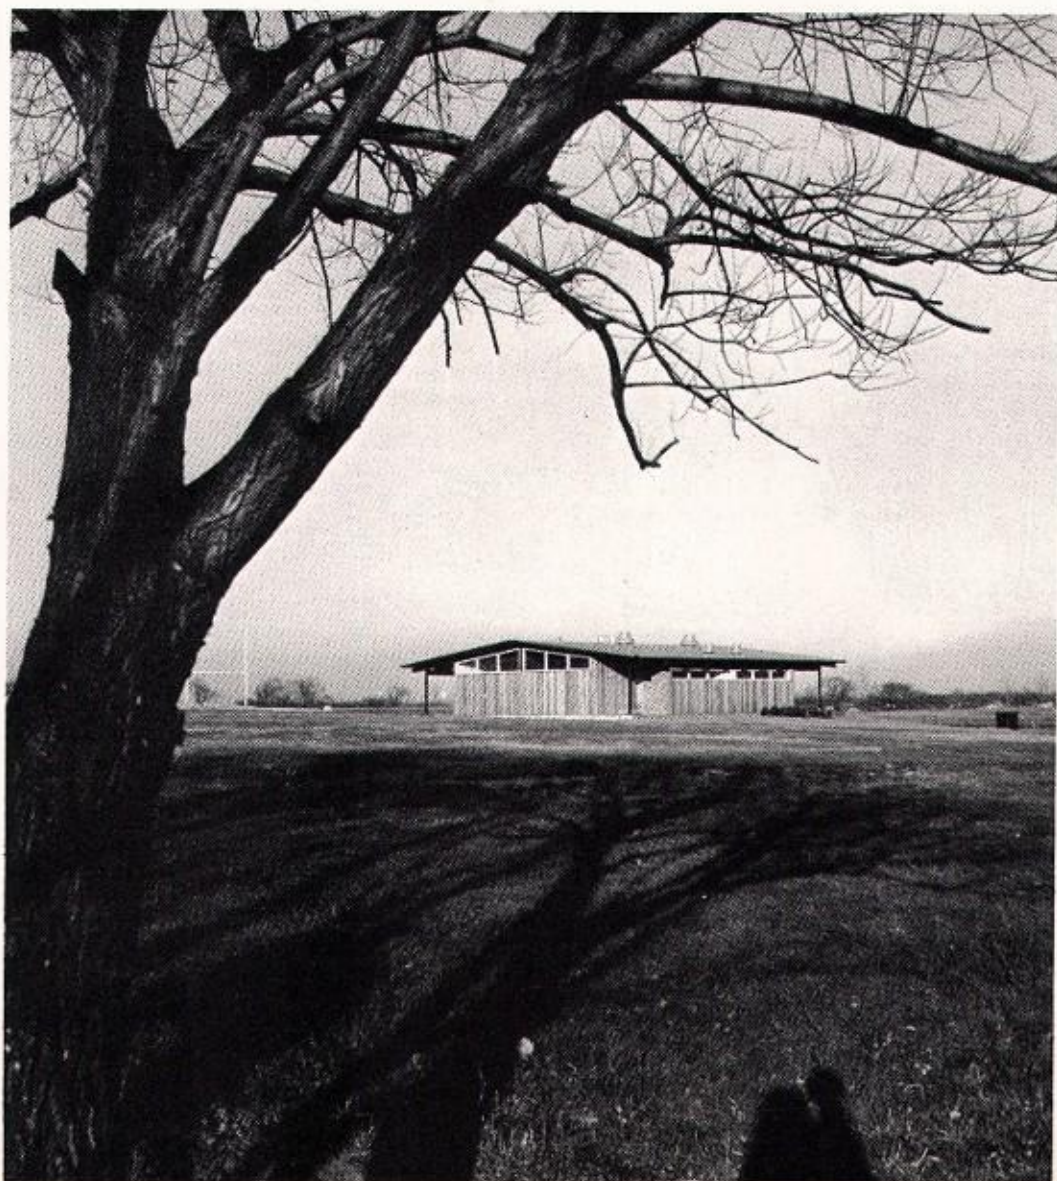

An unhappy crowd expresses their disappointment, as the Vikings are defeated by the Mustangs at the annual Homecoming football game.

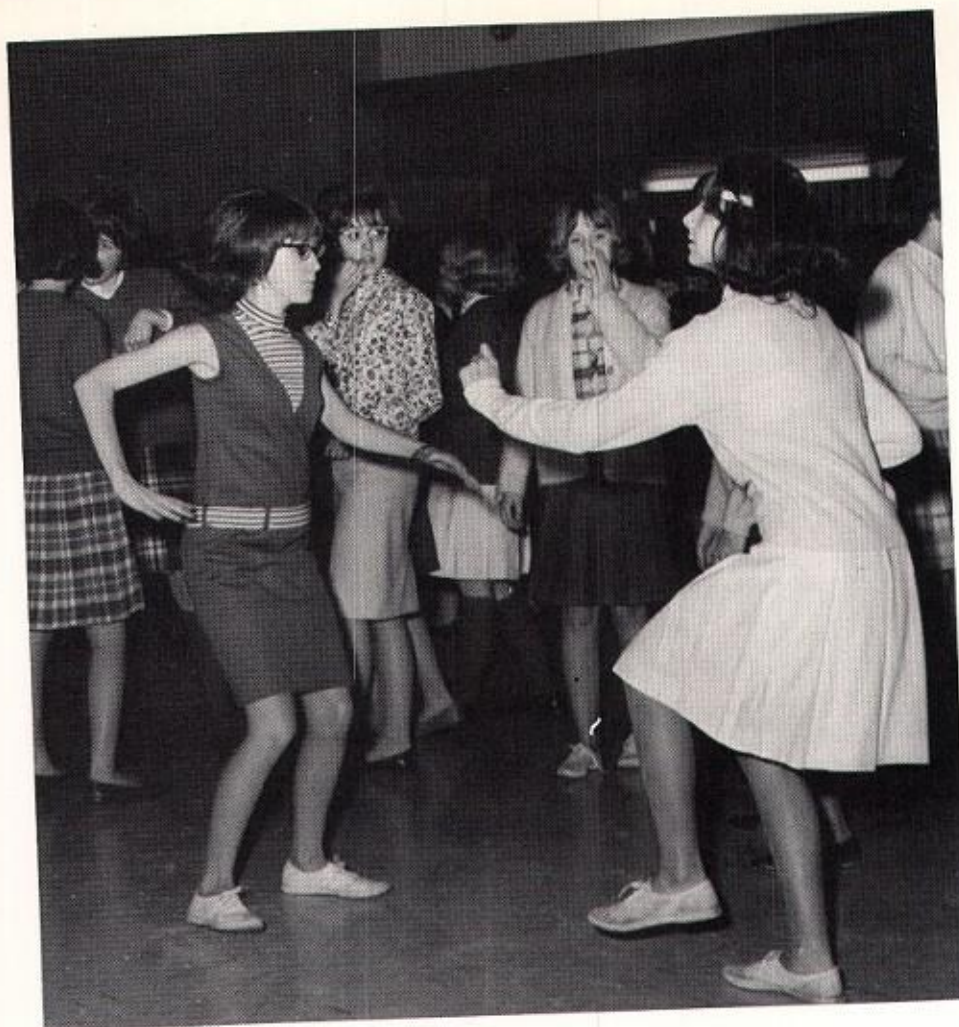

Bill Flinn and Jim Baker lead twirler Liz Svec on an Evergreen Mustang to defeat in one of the many skits presented at the Homecoming Assembly.

Homecoming Events

Dedication of the Calvin Mall Memorial Building was part of the '64 Homecoming ceremonies. Mrs. Arthur Mall donated the sports' house in memory of her son, Calvin, whose untimely death in January of 1963 was mourned by family, friends, and faculty.

Although wild dances are not uncommon at H-F's Varsity Inns, students are still often startled by these new creations.

VARSITY INNS

The one event as popular with the students as football and basketball games is a *Varsity Inn*. A Varsity Inn is a special kind of dance, held after home basketball games. It provides a time for students to relax and enjoy themselves; a time to try out the latest dances and learn new ones. Everything is delightful and nothing is unexpected.

Varsity Inns are popular with everyone, even those who don't like to dance.

The "Wildcats" provide the kind of music the students want to hear.

Happiness is no shoes at a Varsity Inn.

FRUG!!

This year, voting for Turnabout king and court took place as couples entered the dance.

Couples anxiously await the announcement of king and court.

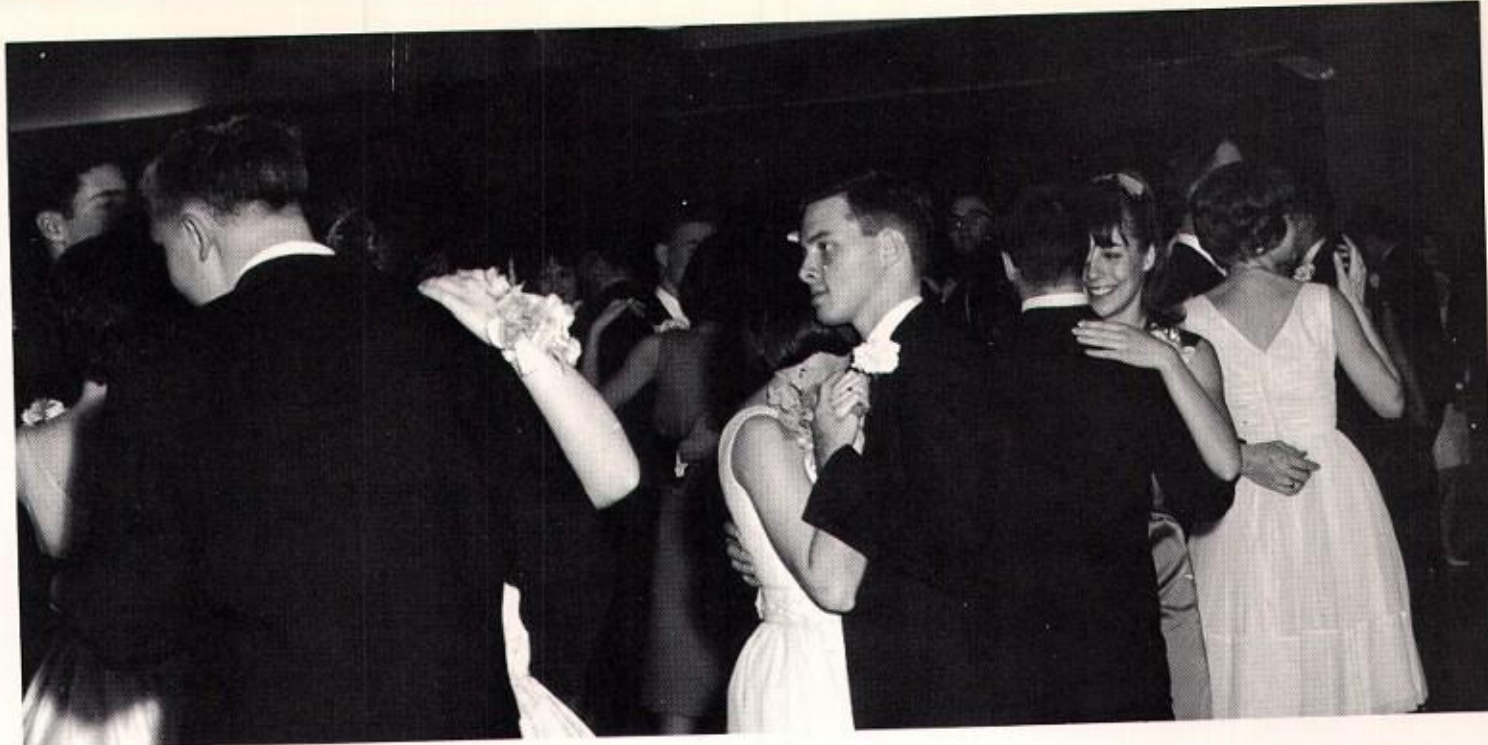

The Turnabout king and court representatives are (l-r) sophomore Bob Majka, junior Dennis Anderson, freshman Chris Hansen, AFS exchange student Marcio Coscarelli, senior Steve Bittner, and King Don Hlady, being crowned by Betty Jo Billings, coronation chairman.

Lynne Everett beams as she escorts Don Hlady, 1965's Turnabout King, to his throne.

TURNABOUT DANCE

The dance brings out many moods; some are serious and quiet while others are friendly and full of chatter.

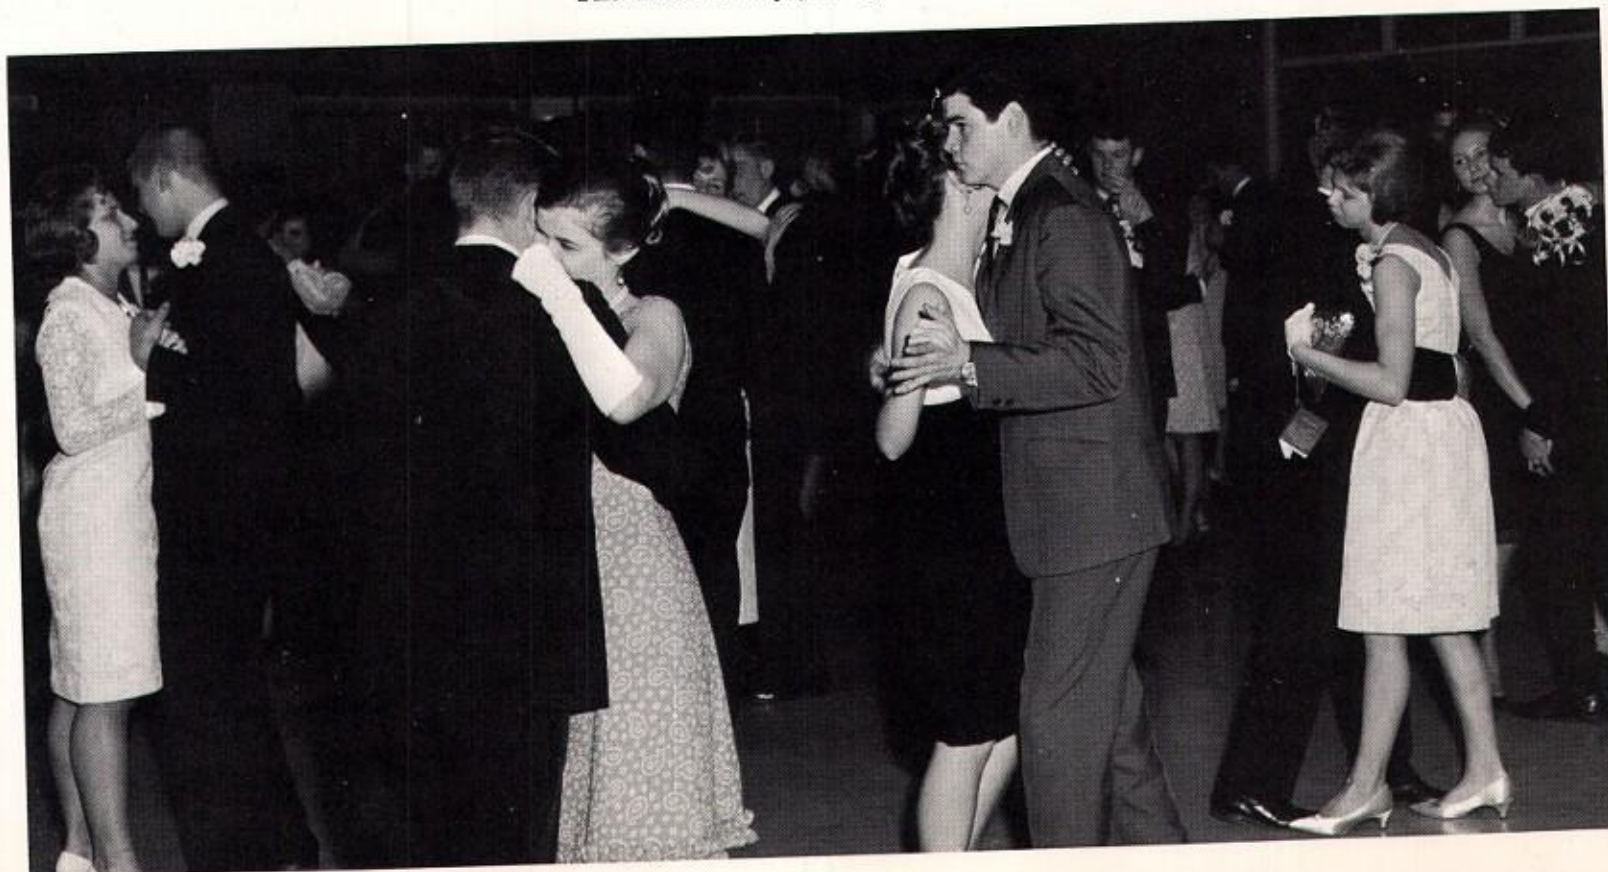

Shipwrecked

"Shipwrecked," H-F's 1965 Turnabout Dance, provided the girls of H-F with an opportunity to invite the boy of their choice to a dance. The music of Ed Johnson and the Mayfairs and the deserted-island atmosphere added much to the enjoyment of the "Shipwrecked" couples.

Happy couples pause while the band takes a break.

The dance is enjoyed by all.

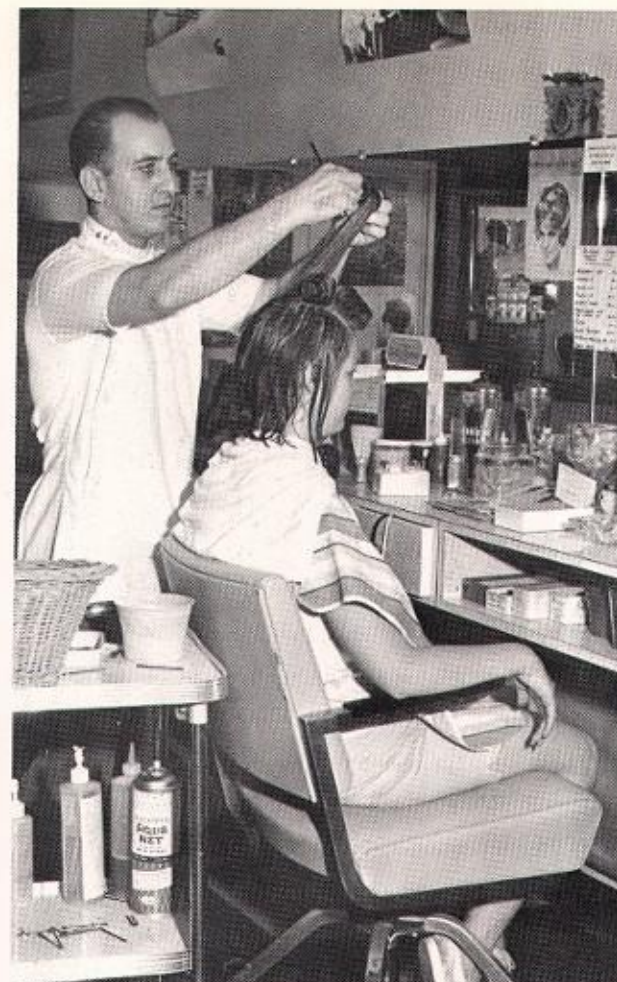

Shopping for a prom dress is primary on the lists of seniors Teri Lou Menke, Linda Erickson, and Martha McKinley.

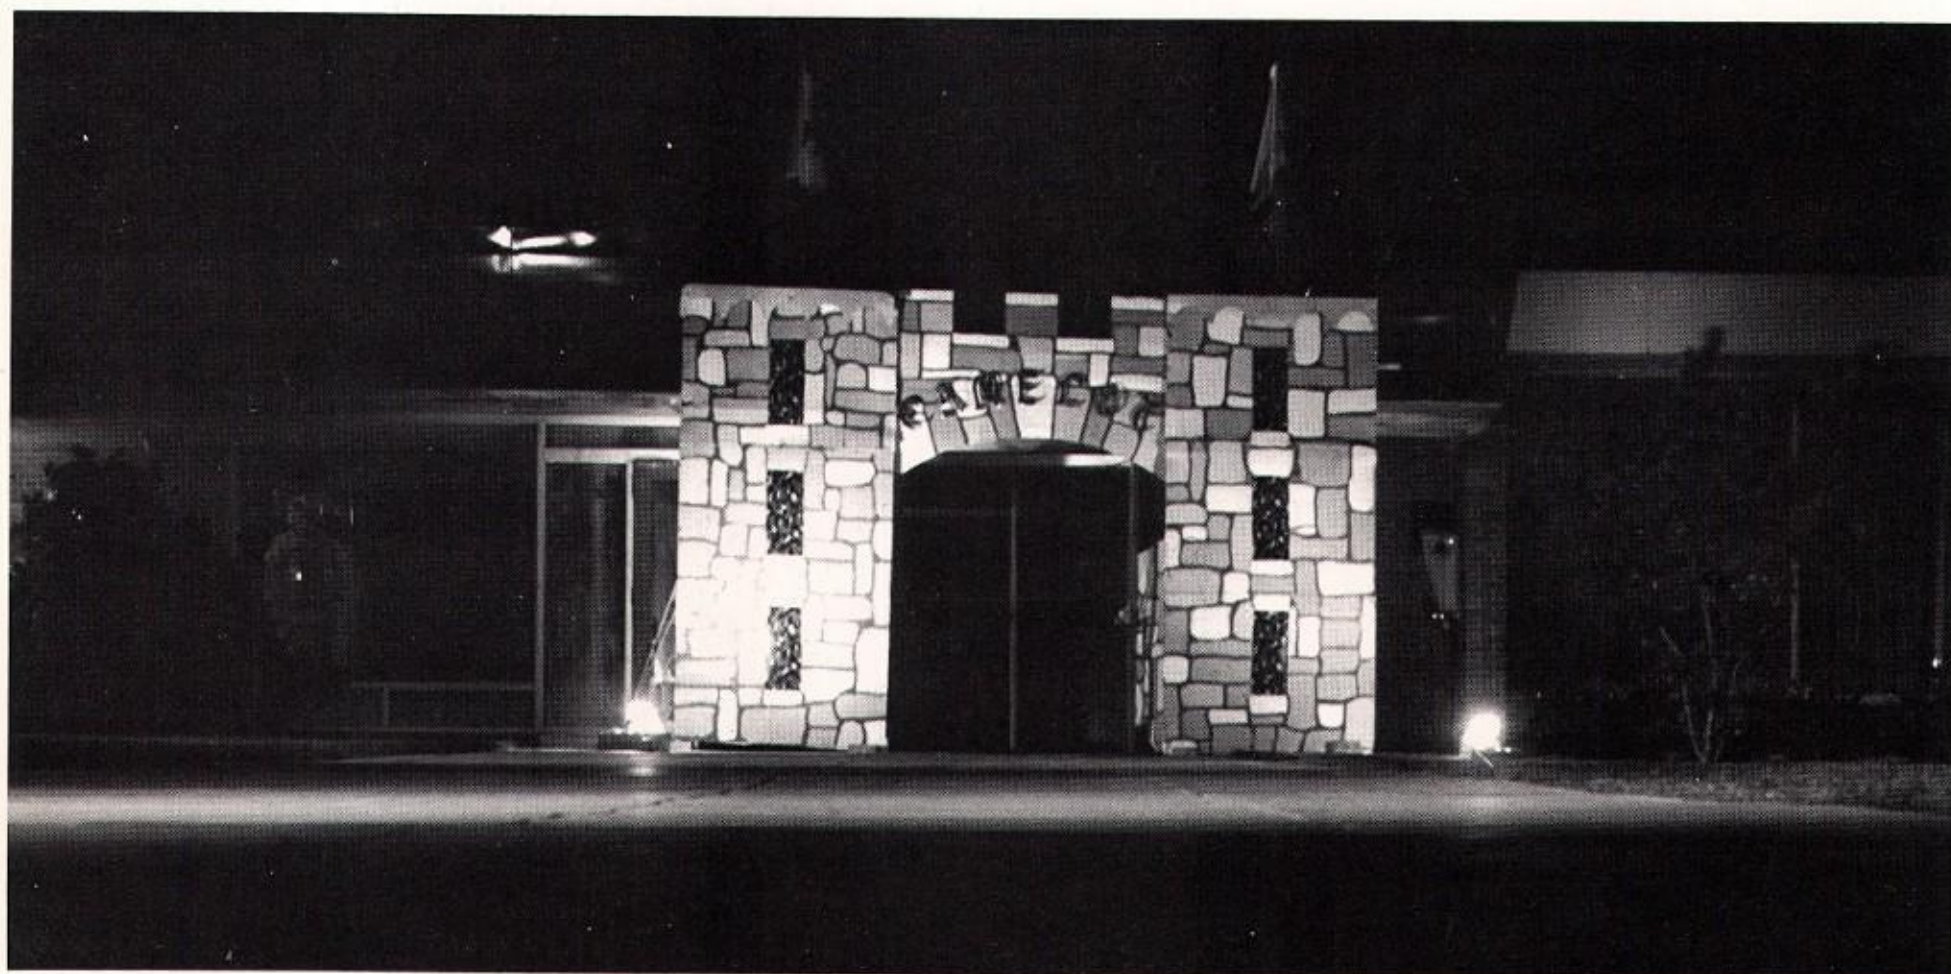

Junior Sue Brunst pitches in to help her classmates finish some last minute details in the decorations.

Hair appointments are a must for Prom, as well as any big dance.

PROM 1965

Couples cannot help but to pause a minute before the magnificent entrance to Camelot, a result of many hours work.

As couples pass through the castle entrance, they find themselves suddenly in a different time.

TELEPHONE CALL ... ORDER TUX

... OLD SPINNING WHEEL ... FRUG ...
4 A.M. ... DUNES ... SLEEP ...
THAT'S WHAT A PROM IS MADE OF

Couples refresh themselves before coronation.

The effects of candlelight is reflected in the pretty face of junior Marilyn Wolf.

Juniors Carol Culloden and Denny Kerwin stop to chat with a friendly knight.

"A Night in Camelot"

Smiles reigned with Sandie Lekas in "Camelot" on Saturday, May 22, which transported happy couples back to the days of Knight-hood and chivalry. As couples passed through the castle entrance and over the drawbridge, they found themselves in a different time. Under a false ceiling of purple veils, a medieval atmosphere was created by banners of King Arthur's Court, and murals of castles, dragons, and gallant knights rescuing fair damsels.

Following the dance, couples attended "Joustabout," the Post-Prom held at the Old Spinning Wheel in Hinsdale. In contrast to the peaceful atmosphere of "Camelot," everybody kicked off their shoes and danced the frug, jerk, freddie, and whatever came to mind.

AMERICAN FIELD SERVICE

Marcio Coscarelli
Brazil to H-F

Helena Orenan
Finland to H-F

The American Field Service Organization, under the direction of Mrs. Alta Foster and Leland Anderson, encourages friendship and understanding between young people of foreign countries. It is hoped that this organization can lead to better relations between countries in the future.

Mary Alexander
H-F to Chile

Melinda Vickery
H-F to Germany

Homewood-Flossmoor is fortunate this year to be able to host two foreign exchange students, Marcio Coscarelli from Brazil and Helena Orenan from Finland. This gives the students from our school the opportunity to ask questions about these countries and to find out their reactions to our country.

FOLK MUSIC

Folk Music seems to have become the trend of the young people of today. H-F follows in the footsteps of this new interest by forming a Folk Music Club under the leadership of John Poster, history teacher.

HARDWORKING ATHLETES HIGHLIGHT COMPETITIONS

Whether participating in an assembly, swim relay, wrestling match, track meet or piling into a bus, pondering a putt, executing a gymnastic maneuver, developing their tennis technique, or carrying the ball for a score, our H-F athletes

represent our school with maturity and good sportsmanship. Encouraged by an excellent coaching staff, our boys have truly made this year's competitions interesting and exciting. "Fellas, we're proud of you!"

More need not be said.

A FIRST! VIKINGS VANQUISH ROCKETS

Break Tie With 46 Seconds to Go

By LESTER SONS

Five years of scars faded a bit Saturday afternoon for Home-wood-Flossmoor when the Vik-ings shoved Rich East to a 13-7 defeat.

The winners sprung fullback Ron Marsh into the Rocket end zone for the winning touchdown with 46 seconds left in the game.

While both teams still must keep scrambling another five weeks at the Southwest Suburban conference title, this was an historic event of note.

IT WAS the first time Home-wood-Flossmoor has beaten the

But Rich's Erickson, riding the wind with his pass in the third period, got those seven points back to pour the tension into the final 15 minutes.

HOMEWOOD-Flossmoor's run-ning trio made all but one of the Vikings' 255 yards for the game. Rich East, with George Chandler and Bruce Hoffman consider- ing the burden, ground out 121 yards. Erickson completed five of 11 passes for 74 yards. Two losses were intercepted.

Erickson's finest pass was the touchdown, a 25-yard one Dick Bauch caught and held.

The Vikings had rolled up 166 yards to 36 by Rich plus seven first downs and had only seven points to show for it. They were penalized 60 yards in that half, to none for the Rockets.

BUT THINGS were not real-ly going well for Rich East in that first half, either. Four pas- sing bids by Erickson had failed, including two from the Viking 10.

Erickson started clicking in the third period, after a fum- ble recovery by Bob Bladck opened the way on the Home-

wood-Flossmoor now stands at three victories and no losses for the season and is 2-0 in con- ference action. Rich has lost two of three and is 1-1 in league play.

A TEAM WITH SPIRIT . . .

A tie for second place and an excitingly triumphant season expresses the '64 edition of the H-F Viking varsity football squad.

Head coach, James Arneburg, and assistant coaches, William Lucy and Robert Lombardi, directed the hard fighting and aggressive team.

All of H-F proudly supported this exciting team whose members were exceedingly successful on account of their spirit, team work, drive, ability, and desire to win.

Finishing with a 3 win 6 loss record, the Harriers were stronger than their record indicates. Good showings in the Conference and District meets proved them well developed. VIKES ARE . . .

Coach George VanderWeyden said his team was composed of "heart and spirit". How true it was, for the Vikings returned after defeats and disappointments to prove to their coach and fans exactly what they were made of.

In spite of their 9 wins out of 22 games, they played good basketball on basic fundamentals accredited to their coach. Coach VanderWeyden attributed his excellent defense to three of the starters, Dennis Berntsen, Tom Clarke, and Don Hlady, who were the Vikings most important asset in keeping possession of the ball.

Senior Tom Clarke worked his way to the first team, All-Conference (SWS) and the first team of the All-Suburban, picked by the *Chicago Sun-Times*. Coaches in the area chose him for the second team All-Area (SWS). Before receiving a special mention by the *Chicago Daily News* to the All-City and Suburban team, Tom was selected twice

as "player of the week" by *The Homewood-Flossmoor Star* and chosen player of the year!

The Star also picked Dennis Berntsen, senior, as "player of the week". This resulted from his sharp-shooting, gaining possession of the ball, and fast breaks. Dennis also received recognition by being selected to the second squad of the All-Conference Team (SWS).

The third regular starter, senior Don Hlady, played long hard games and fought tirelessly for possession of the ball. His agility and shooting won him the "player of the week" award given by *The Star*.

Rick Harbeck, Mike Lockhart, and John Weinberg are the only regulars returning to next year's team. Coach VanderWeyden looks to the league leading Frosh-Soph team to bring his Vikings back to a winning season.

Right—Junior Harold Visser, shot putter superb, shows his strength.

Rough and rugged competition was met in the high hurdles.

Track Has Crowning Season

A YEAR FOR THE RECORDS!

"A kid like him appears maybe once every ten years, said Varsity Coach Gordon McGregor concerning Senior Steve Bittner, H-F's most outstanding trackman. The Varsity track team experienced its greatest season yet, crowning it with a first place in conference.

Steve Bittner presently holds the school records in 220 yard dash, 440 yard dash, and the mile run. Steve also holds the conference record in the 440 and took first place in the area Decathlon.

Also departing this year are senior sprinters Chuck Pitchford and Dave Gordon, hurdlers Rich Cole and Nick Cotten, and pole vaulters Toby McAfee, John Ziegert, and Jerry Morrissey.

The mile relay team composed of Chuck Pitchford, Steve Bittner, John West, and Dave Gordon, holds the conference record for the mile with a time of 3:26.0.

Even the future looks bright as H-F promises to be a power again. Al Reed and John West will be H-F's top sprinters and should form the nucleus of a well-rounded team. Coach McGregor feels that the great depth and well-balanced team with the fielding aid of powerful shot-put record holder junior Harold Visser should help the Vikings retain their crown.

Record holders for the mile relay: Steve Bittner, John West, Al Reed, and Chuck Pitchford.

H-F's five-year domination of the conference links ended this year, but the future shines bright with many returnees.

Carl Sandburg edged the big Vikes by one stroke for the conference championship.

H-F posted a 12—2 record for the season. Coach Ted Hipple expects a lot of power to arise from the undefeated Sophomore in next year's conference title drive.

TENNIS

Strengthened by players from last year's team, Mark Marcus, Mike Levin, Chuck Ebann, and Larry Lindberg, H-F's team placed second in the conference.

Of the varsity team, many players achieved individual honors. The doubles team of Chuck Ebann and Larry Lindberg were second in SWSC, consolidation champions in the Evanston tournament, and semi-finalists in the district tournament. Mark Marcus and Jim Al-

derman. Second doubles team, were consolidation champions at the Evanston tournament. At the SWSC, Mike Levin won second singles, Robert Kohl won third singles, and Mark Marcus placed second at first singles.

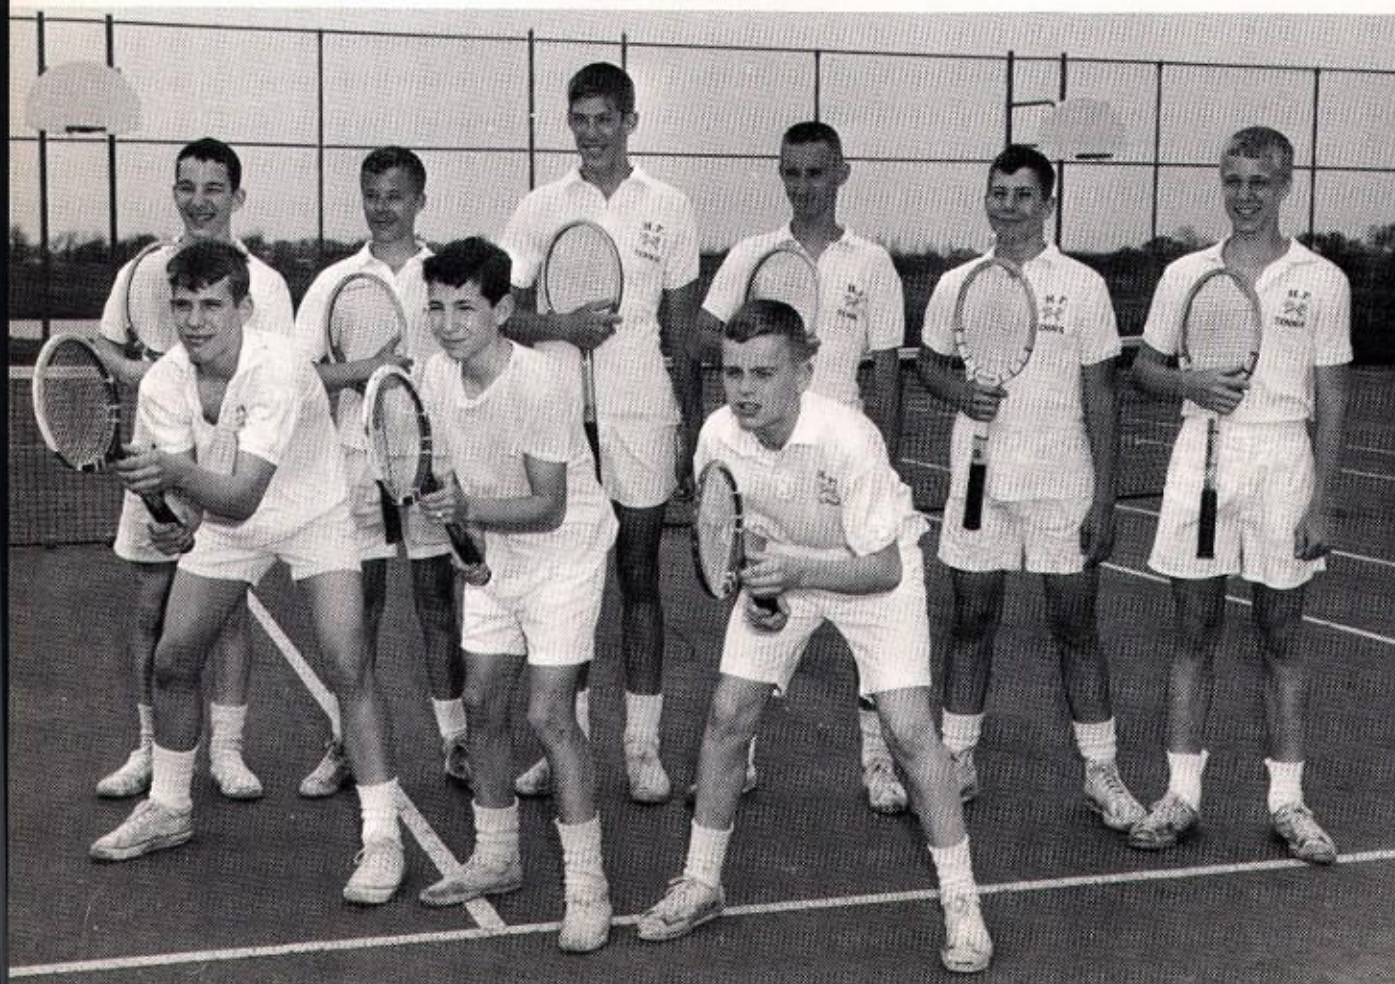

With returning members, Larry Lindberg, Robert Iglow, and Robert Lawton, next year's team looks forward to a successful year.

BASEBALL

Although Coach Duane "Buzz" Rose's Varsity Vikes did not post a winning record this year, finishing sixth in the conference with a 6—8 record, a star shines bright for the future. Coach Rose, head-pilot for the first time with pitching coach Burnie Southall, commented midway through the season that this year was to be one of experience and planning for the future.

Seven regulars will return for '66 plus much help from the Conference Champ Sophomore team, portending a possible conference power next year.

Many graduating seniors will be missed on next year's team, such as All-Conference outfielder and base stealer supreme, "Fat" Jack Ginter; also, fine second baseman Dave Botts, infielders Tom Clarke and Scott Willis, and Pitcher Al Portelli.

Coach Dick Schmidt's Sophs posted an 11—3 season and a conference crown! Freshman Dave Olson has a good chance of graduating to the Varsity level next year, having held an 8—0 record this year. He could be the number two punch in a 1—2 combination with Bob Majka for the Senior Vikes.

Under the direction of coach Art Endres, H-F's littlest Vikes brought home a 3—6 record having made a power drive towards the end of the season.

CHEERLEADERS

H-F could be a very empty place without the presence of school spirit, stimulated by the pep and enthusiasm of good cheerleading squads. Under the leadership of H-F's 1964-65 cheerleaders, crowds of students and adults really let the Vikings know who they wanted to win. The Varsity Squads, directed by Miss Pat Spurrier, and the Fresh-Soph Squad, directed by Miss Bobbie Sprayberry, worked hard creating and perfecting cheers, making signs, and planning pep rallies. Without cheerleaders, the school certainly would be an empty place.

School spirit is certainly not missing at H-F's basketball games.

Eric, the Viking mascot, leads the mighty Vikings and their cheerleaders out onto the football fields.

Juniors caught hard at work building their float?!!

JUNIORS

With two years behind them, the halfway mark had been passed and the Juniors assumed the role of Upperclassmen. Their notebooks empty, their hopes high, they looked forward to the year with anticipation.

Homecoming, an opportunity for expression, presented a challenge to the ingenuity of the Juniors which was well met with the building of their float. Festivities of the week-end were well attended by the Juniors.

The year progressed and with it came numerous activities including the Christmas Dance and the Turnabout. An annual event, the Washington trip, proved to be advantageous for many of the class members.

Throughout the year plans were being made for the Junior-Senior Prom, "Camelot." Hard work and much preparation resulted in an evening to be remembered by all.

The end of the year approached and with it a feeling of pride arose. Throughout the year the Junior class carried their share of responsibility and sailed through academic and extracurricular activities.

"What do you mean George Washington didn't discover America?" questions David Hoag.

Junior cheerleader, Doreen Nelson, helps generate Viking enthusiasm.

WASHINGTON TRIP

Where History Is Made

Leaving on Friday, March 22, an enthusiastic group of 138 Juniors and 9 chaperones traveled to Virginia by two chartered DC-6 airplanes. Saturday, after touring Williamsburg, they made their way to Washington D.C. by bus, where they rested (?) for a day of sight-seeing on Sunday. All marveled at the Washington Monument, the Capital, the White House, and the Eternal Torch lighting President Kennedy's grave will never be forgotten.

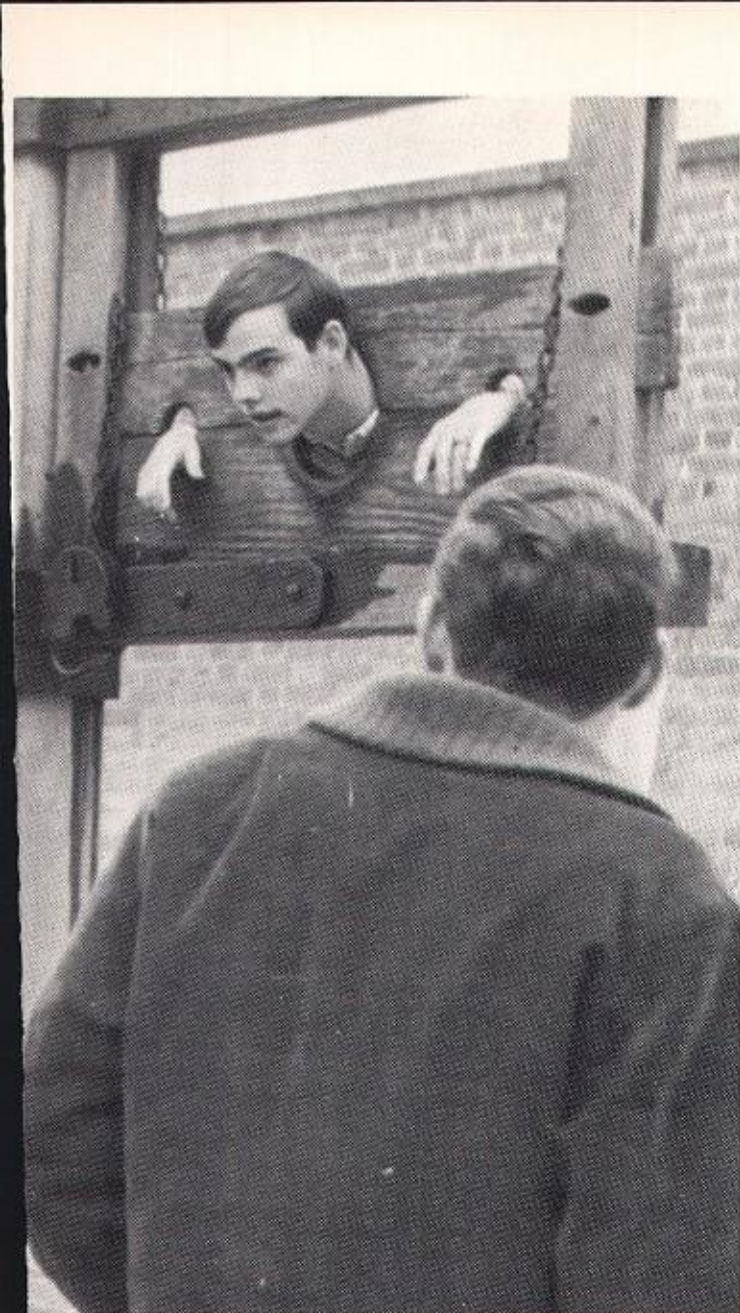

Monday brought the end, and a tired but happy group returned to H-F late that night. None will forget the valuable education acquired nor the fun they had that made this trip a great success.

SOPHOMORES

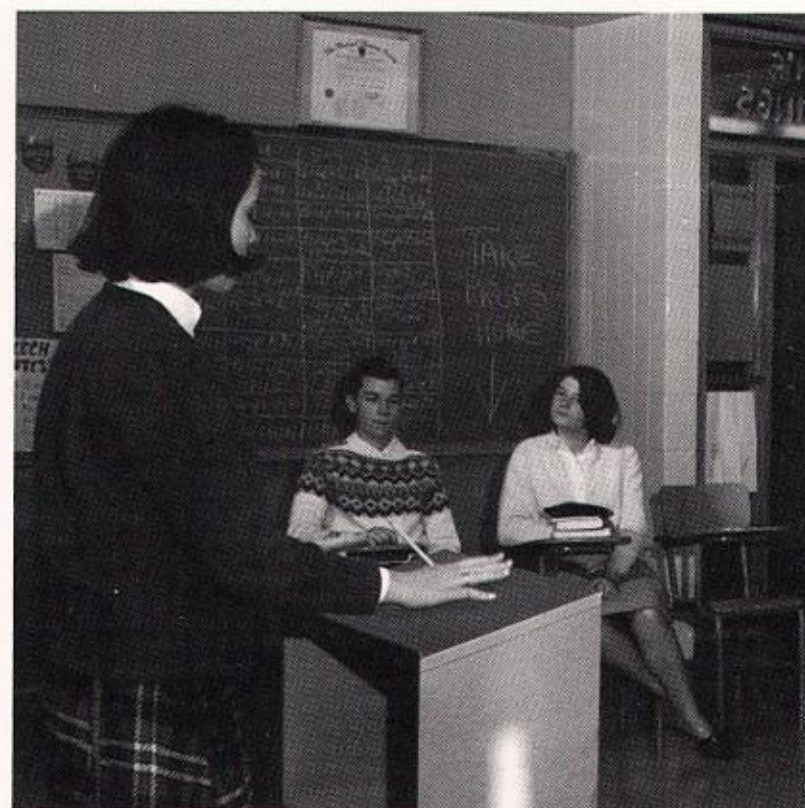

CLASS OFFICERS

(l—r) Shawn McQuality, secretary; Steve Bickel, treasurer; Steve Playe, vice-president; Barry Schreiber, president.

Under the leadership of their president, Barry Schreiber, the Sophomore Class began their second year at H-F by co-sponsoring a Christmas dance, Mistletoe Magic, with the Juniors.

Sophomore participation in student government, clubs, sports, and activities throughout the year proved their ability to accept the challenge of leadership.

Showing their record of two active years at H-F, the Class of '67 proves to be "packed with power" for their coming years as upperclassmen.

Gayle West and Mike Rowland listen intently as a classmate addresses their speech class during first hour.

Participate . . .

Sophomores look forward to filling the desks of upperclassmen.

... Socialize

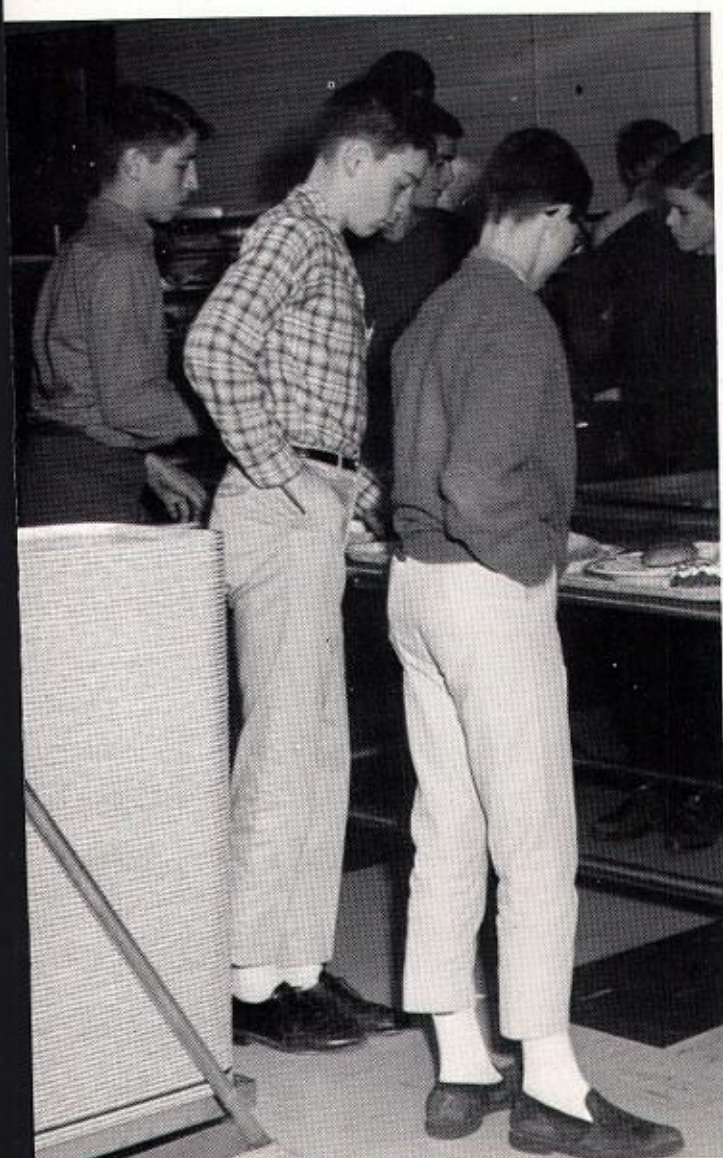

and

Concentrate

The Varsity Inns following home basketball games gave Sophs a chance to get acquainted and gather with friends.

The ever-famished teen-aged boy is depicted during the lunch period rush.

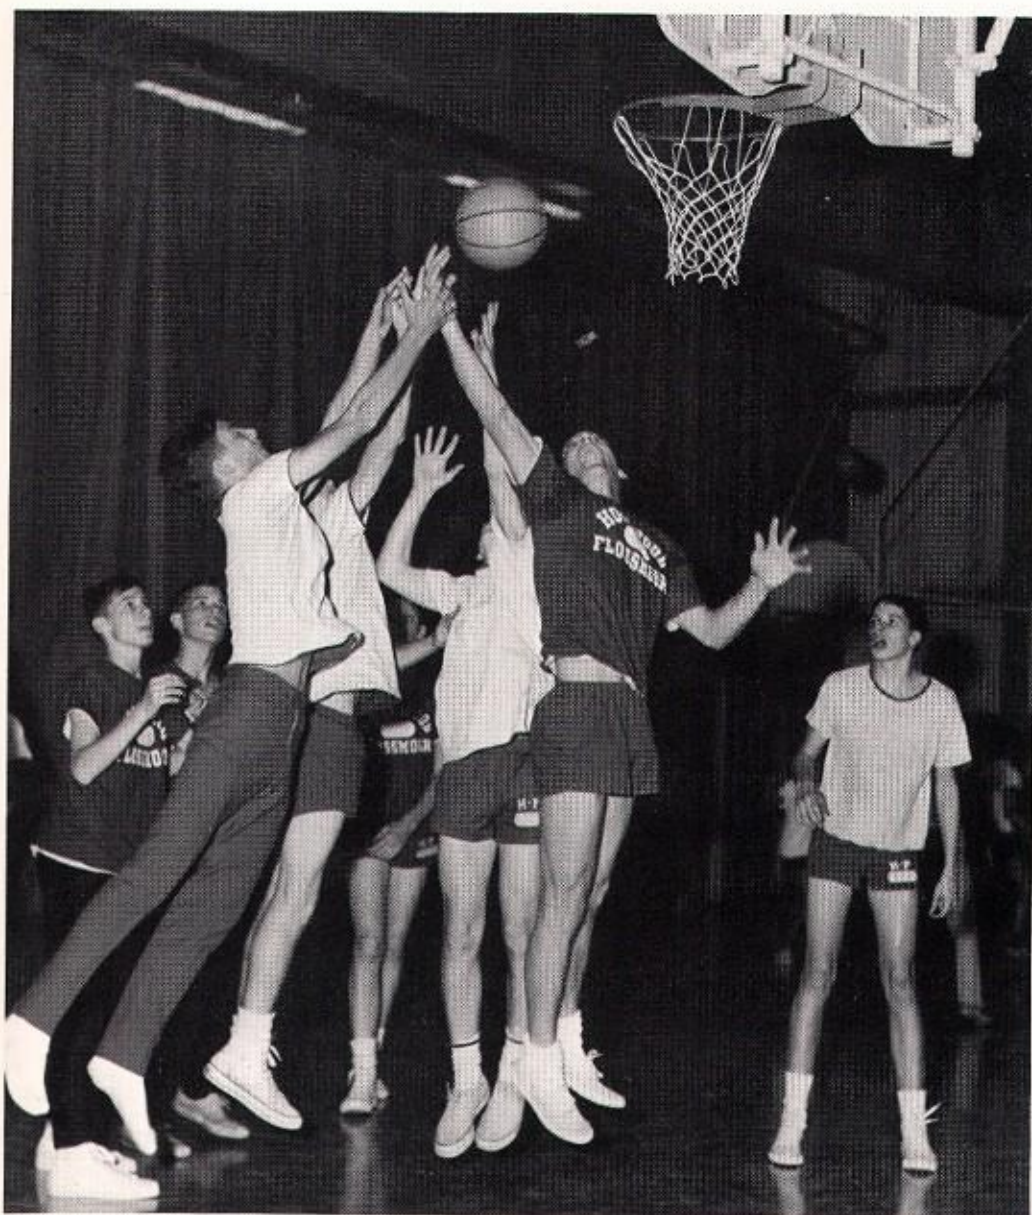

Mrs. Crank assists Billee Bates with figure drawing during the first hour Art Survey class.

Carmello Sapone, former faculty member, shows Carol Kerce and Terry Davis how to pose for their picture at the annual Homecoming Dance.

Sophomore boys learn that teamwork is essential while competing in basketball during their gym class.

Develop Abilities . . .

Laura Lieberman practices her lines for a one act play put on by the Honors Speech Class.

Marilyn Bohlen participates in a novice play, "My Three Angels".

Carlton Bodine, Algebra teacher, gives personal attention to Renny Bartlett, Sarah Park, Joe Baczynski, and Dean Arfsten in math class.

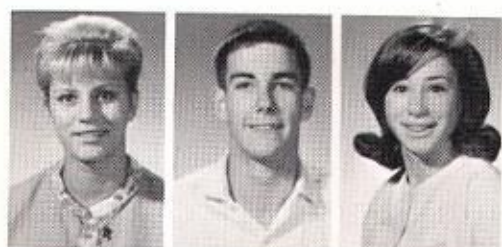

Les Butcher and Billie Bates enjoy a dance together at a Varsity Inn where the Fugitives were playing.

... Receive Attention

The sophomores participated in Homecoming activities with the entrance of their float entitled "Shut Down the Mustangs".

Donna Rabin tells her fellow classmates of her capability of holding a class office.

The freshmen this year showed much imagination and creativity in their Homecoming float, whose theme was, "Put 'em in a Pumpkin Shell".

Charles Culloden, freshman class president, proudly escorts Kathy Spieth, freshman Homecoming court representative, down the aisle to her chair on the throne.

The Freshman Mixer, a dance for freshmen only, was the first of its kind ever to be held at H-F.

Dayle Nesper displays her talent on the rings at H-F's first Gym-Jam.

Donna Beers appears somewhat doubtful about being prepared for her part in "J.B.", one of the many plays presented by H-F's drama group.

FRESHMEN

Orientation and registration provided the Class of '68 with their introduction to Homewood-Flossmoor High School.

The first few weeks of school were quite hectic as, aside from the frustration of trying to locate buildings as well as rooms, class officer elections were being held, and school dances and events were being planned and attended.

The biggest event was the Freshman mixer, a dance held in the beginning of the year, that introduced the class officer candidates and the freshman football team. It also provided the students with a chance to become better acquainted.

Susie Stone seems to be enjoying herself while folk dancing in second period gym class.

B.S. Northwestern
U.
Edda Adviser

It is essential to develop the use of written and oral communication that is expressive, concise, accurate, and constructive. A continuing interest in good literature, an appreciation and understanding must be encouraged. Also important is the expansion of vocabulary and the development of good study habits and research techniques.

"Surely you jest! I'm not *that* handsome," Mr. Arneberg modestly replies.

"Look, Mr. Shive, it's right here on page 116!!"

In order to approach the future intelligently, one must acquire and organize historical facts as a basis for explaining the present. It is necessary to develop an attitude of tolerance, openmindedness, and an understanding of our changing society.

"And the new uniform this year" ... Mr. Dittmar models for Mr. Anderson.

"What's she got that I don't," Mrs. Reed protests.

The development of physical fitness and skill in athletics, the maintenance of good health habits, and the provision for leadership are of supreme importance. Through supervised activities one acquires a spirit of good sportsmanship, releases tensions, and fulfills the need for fair competition.

All together now, girls!

Nearing the End.

WHERE DOES "IT" LEAD US?

The Not-So-Obscure with Ragged Edges

OUT OF DARKNESS into the light of the world of love for which we strive as our thoughts of Viet Nam clash with the Beatles ... and Superman commits suicide so that a few more non-believers join the ranks ... wide-eyed freshmen idolize the juniors who can't wait to "get out" while seniors can't believe it's almost over and graduates in far-away places long for the laughter in hallways ... the death of a president who said "viga" and "Cuber" and with whom youth identified which therefore brought forth our proverbial "WHY?" ... so much to live for as we discover that the most beautiful words are the simple ones but an "education" demands Word Power Made Easy's perspicacious and incendiary ... while caught here between childhood and maturity we demand privileges and rights not necessarily with the responsibilities that accompany them ... and in the unending circle the farmer grows the wheat that the miller grinds into flour that's used in baking and goes to the market so that the farmer may have his daily bread which brings us to our interdependence evolving as this labor force emerges with the presidents of the industries involved ... since history repeats itself during this Civil War Centennial with the Freedom Marchers—let truth lie not with black versus white but with one answer ... as we learn that the unusual and unexpected are the norm ... so that we may always care by never saying or even thinking: "SO WHAT!?"
